

What happens when you enter the room?

Adam Johnstone, Lara Johnstone & Callum Greenaway

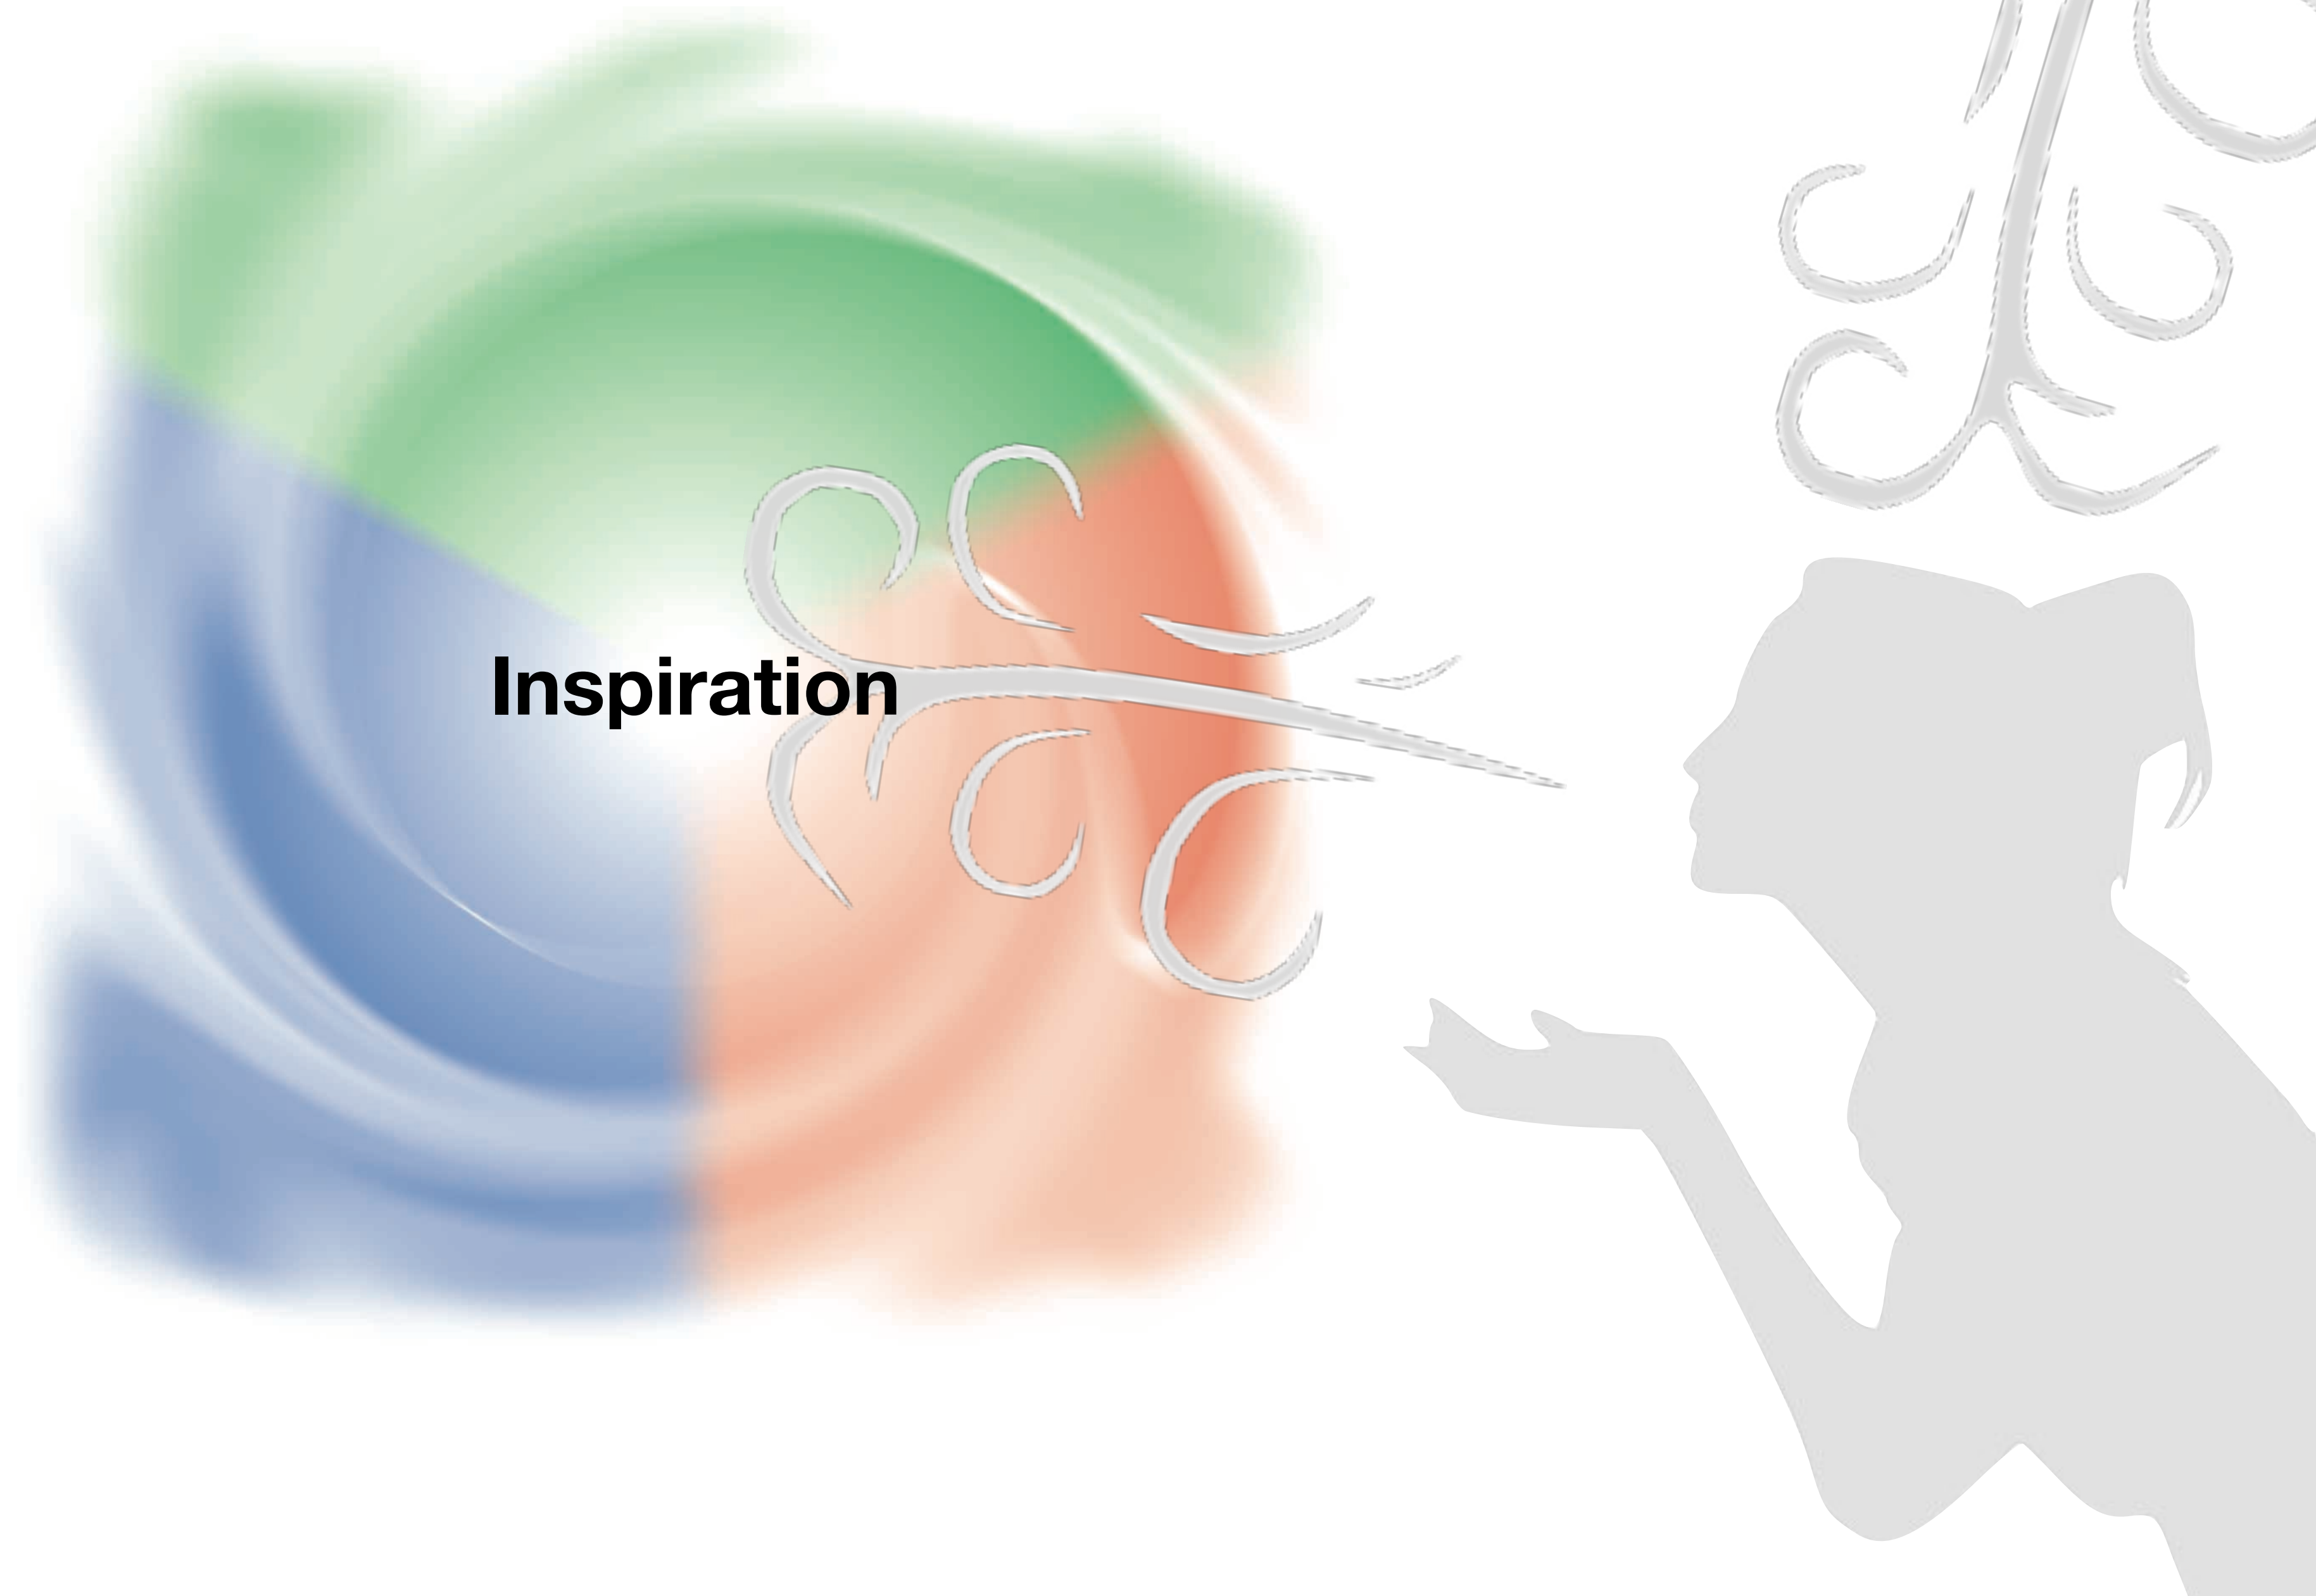

Every moment, you're either
**inspiring those around you or
draining life from them.**
There is no middle ground.

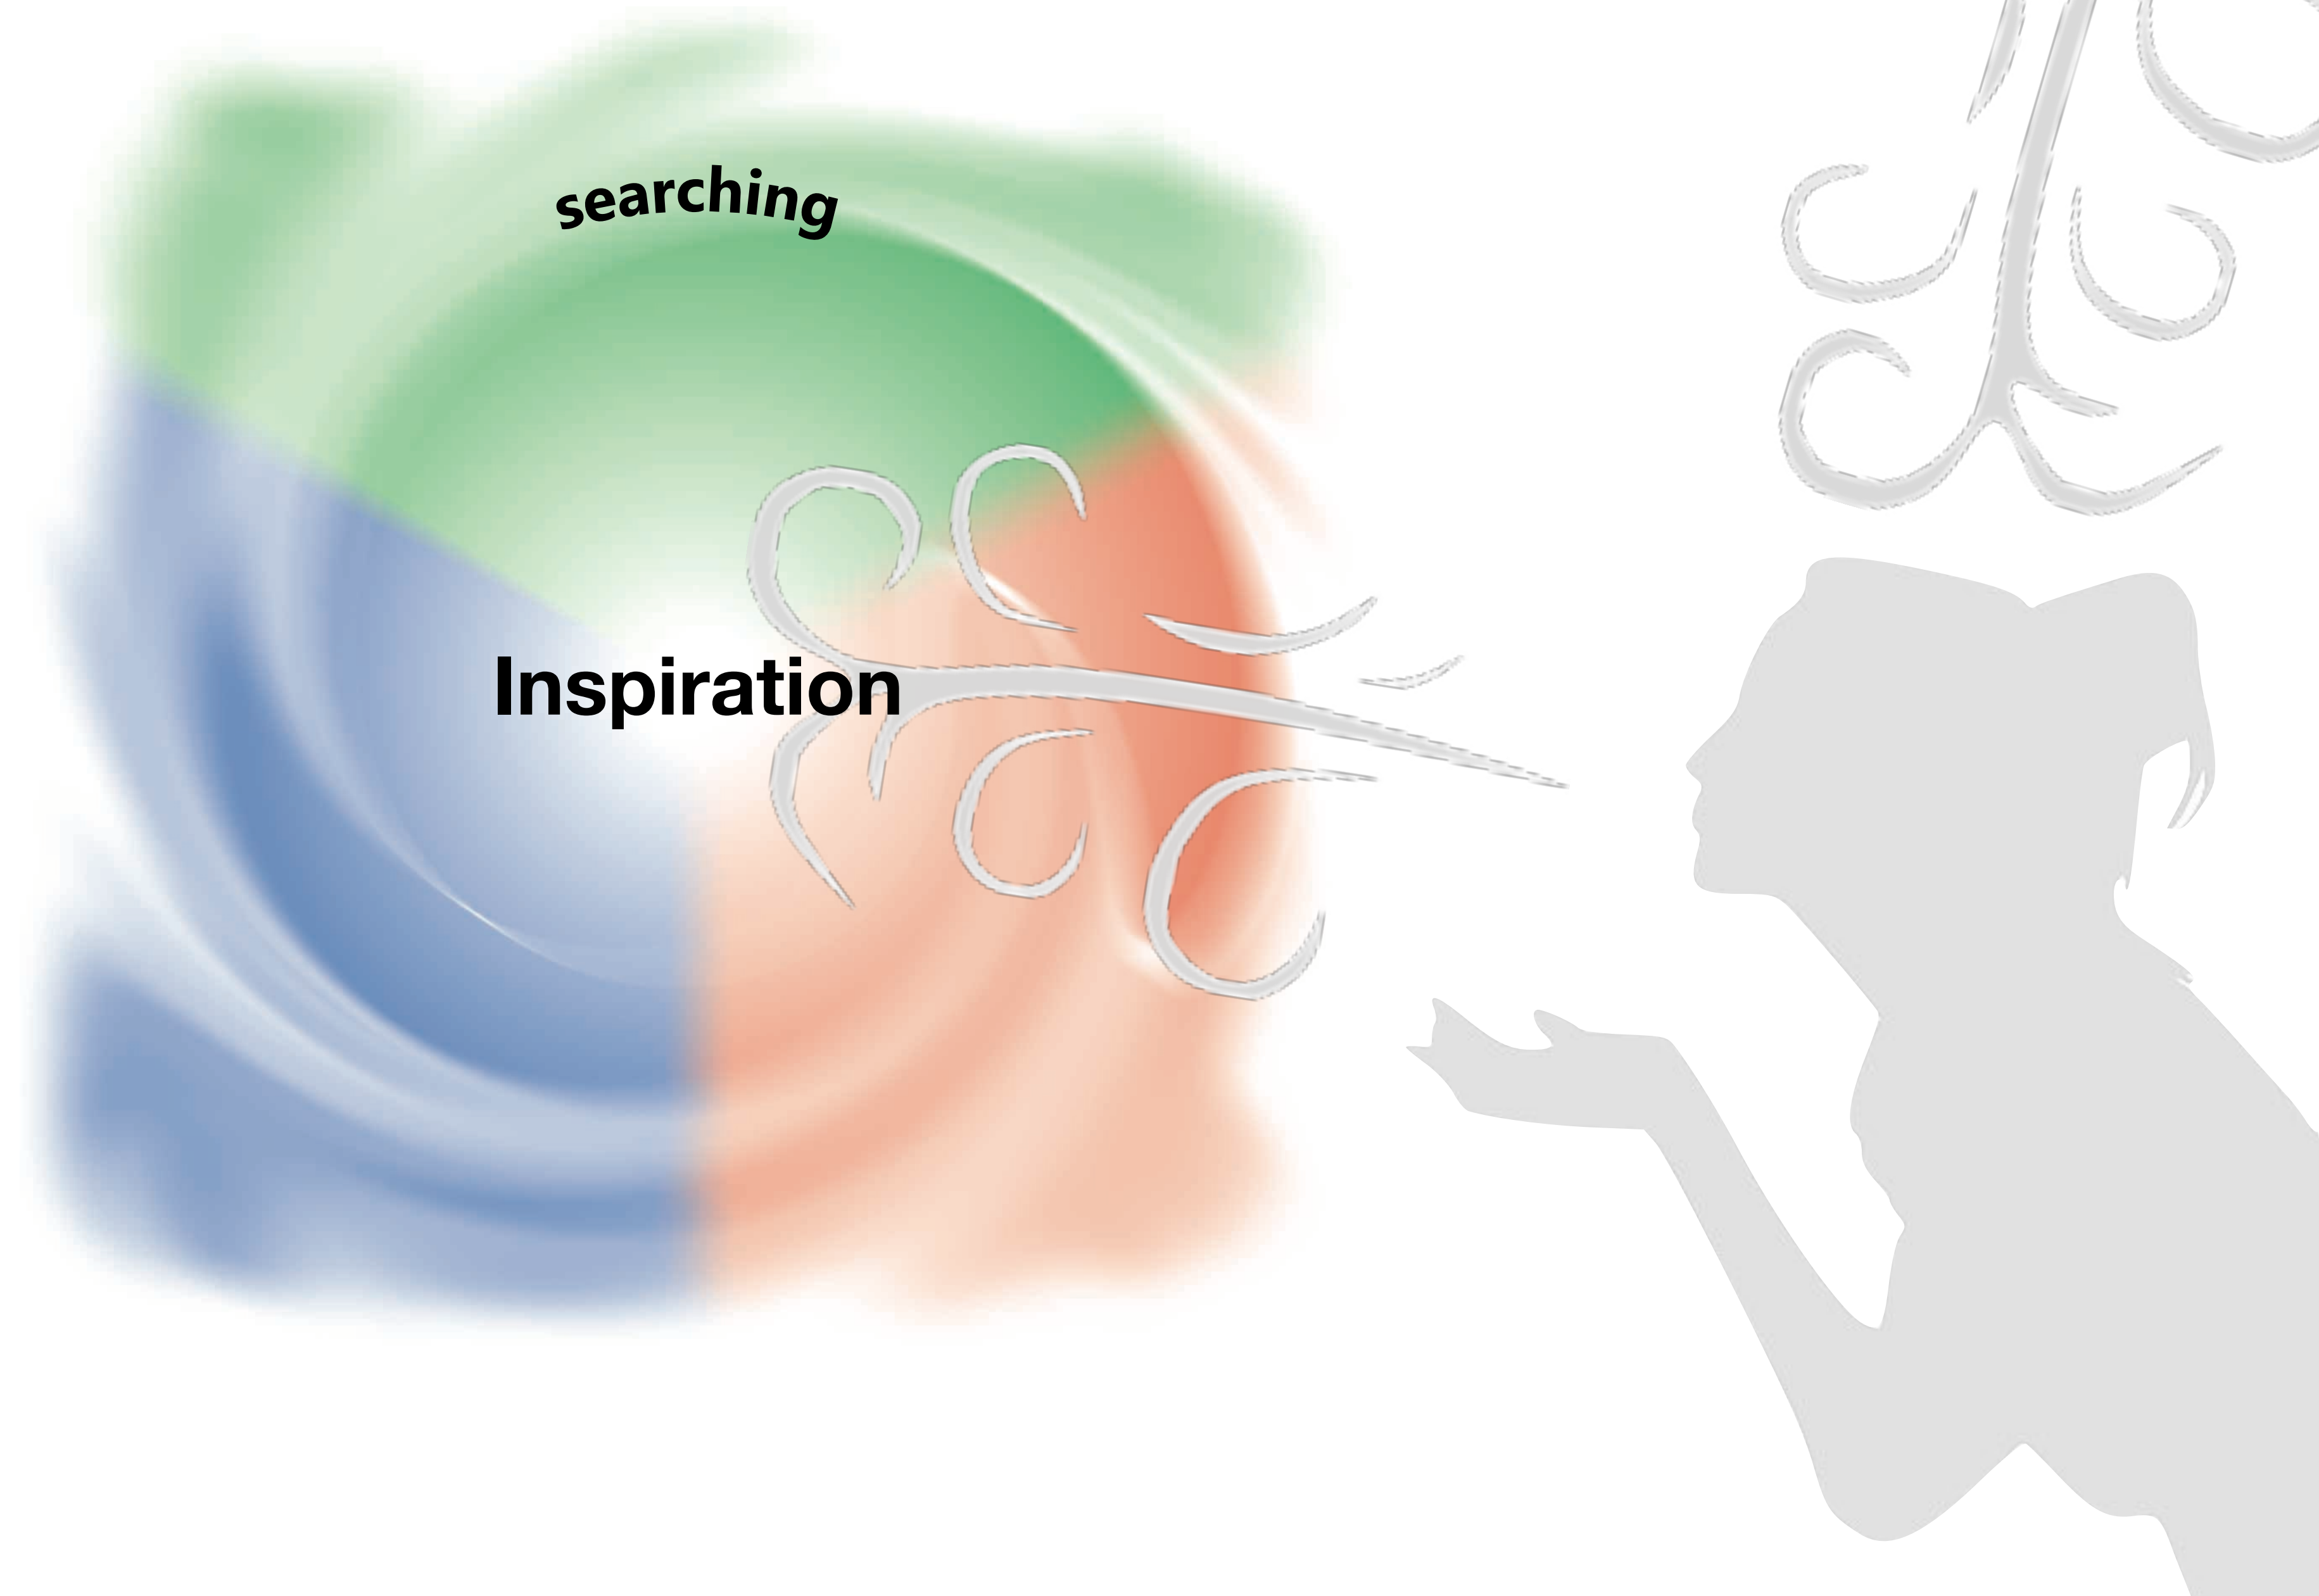

What do you bring to the room?

about inspiring worship?

What if people recognised every gathering as an opportunity for inspiration?

In the next 24 hours...

In the next 24 hours, you
and everyone you work
with will repeatedly either
inspire or **drain life**
from those around you.

Which will it be?
