This coaching model is ideal for the new or established coach looking for a solid biblical coaching model. This model is a significant resource to coach yourself and others forward.

Dr. J. Val Hastings, MCC – Founder: Coaching4Clergy

The Nehemiah Response Coaching Model™ will be a great help to the church leader who takes a coaching approach to helping others. The model is a step-by-step practical coaching process – one that moves us ultimately toward the goal of transformation on a deeper level.

Definitions for coaching:

Coaching is partnering with clients in a thought provoking and creative process that inspires them to maximize their personal and professional potential. (International Coaching Federation)

As a coach, I help people get the results they want by bringing out the best in them in a developmental or discovery-based process. (J. Val Hastings – C4C)

Coaching is the process of coming alongside a person to help them discover God's agenda for their life and ministry, and then cooperating with the Holy Spirit to see that agenda become a reality. (Bob Logan, Coaching 101 Handbook)

Nehemiah Response Coaching Model™

Nelson's Nehemiah Response Coaching Model™ is a "how-to" biblical transition process. The model, integrated with social and behavioral sciences, fits well with the Transtheoretical Model which proposes how we change. What I like about the Nehemiah Response Coaching Model™ is that it goes beyond behavior change to transformation.
