**embracing  
relationships**

**A life of  
wholeness**

**unshakable  
confidence**

**practical  
contribution**

# **Discussion**

For 10 minutes, please share any of your experiences of applying NCD tools or principles outside of the local church or with non-Christians.

# Taking people on a journey to life

# Taking people on a journey to life

# Taking people on a journey to life

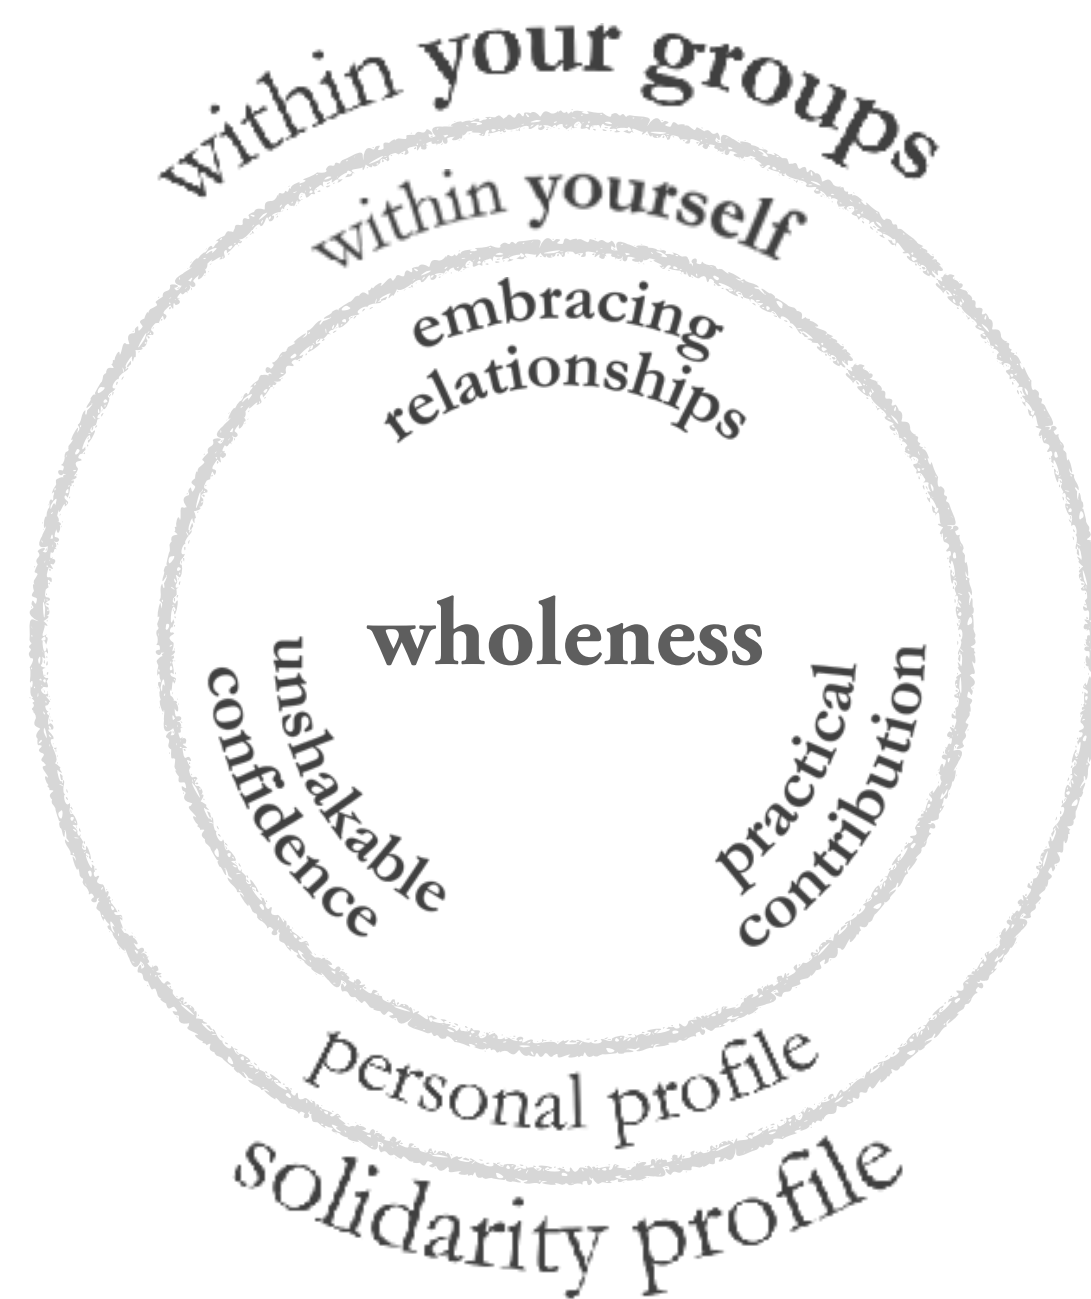

*you can only evangelise  
to the extent that you  
have been evangelised*

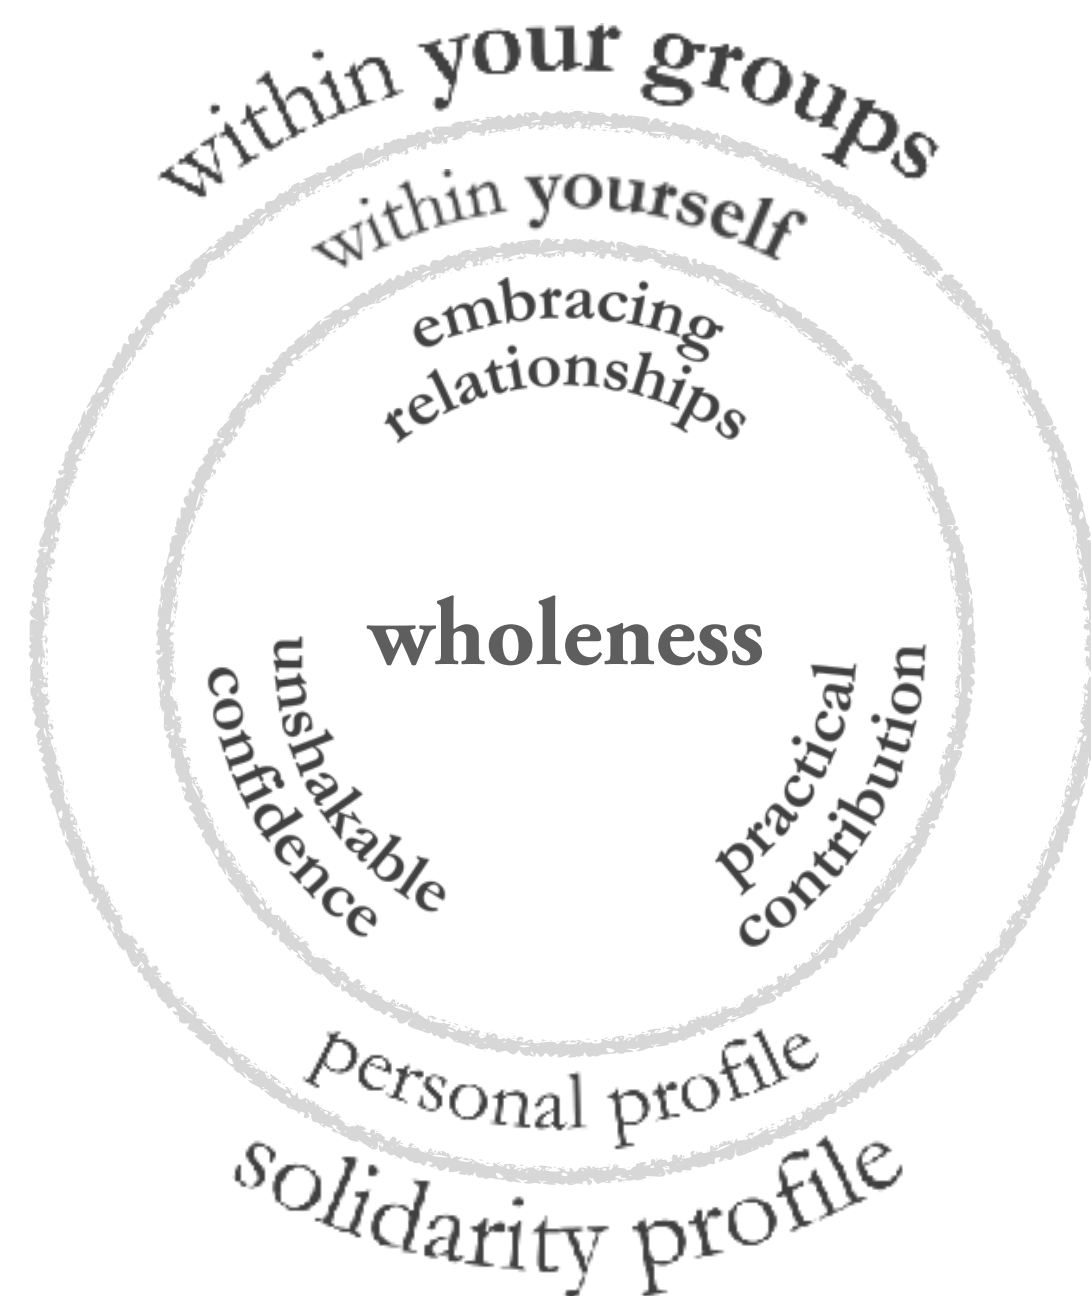

# Taking people on a journey to life

# Taking people on a journey to life

# Taking people on a journey to life

think wholeness as a...

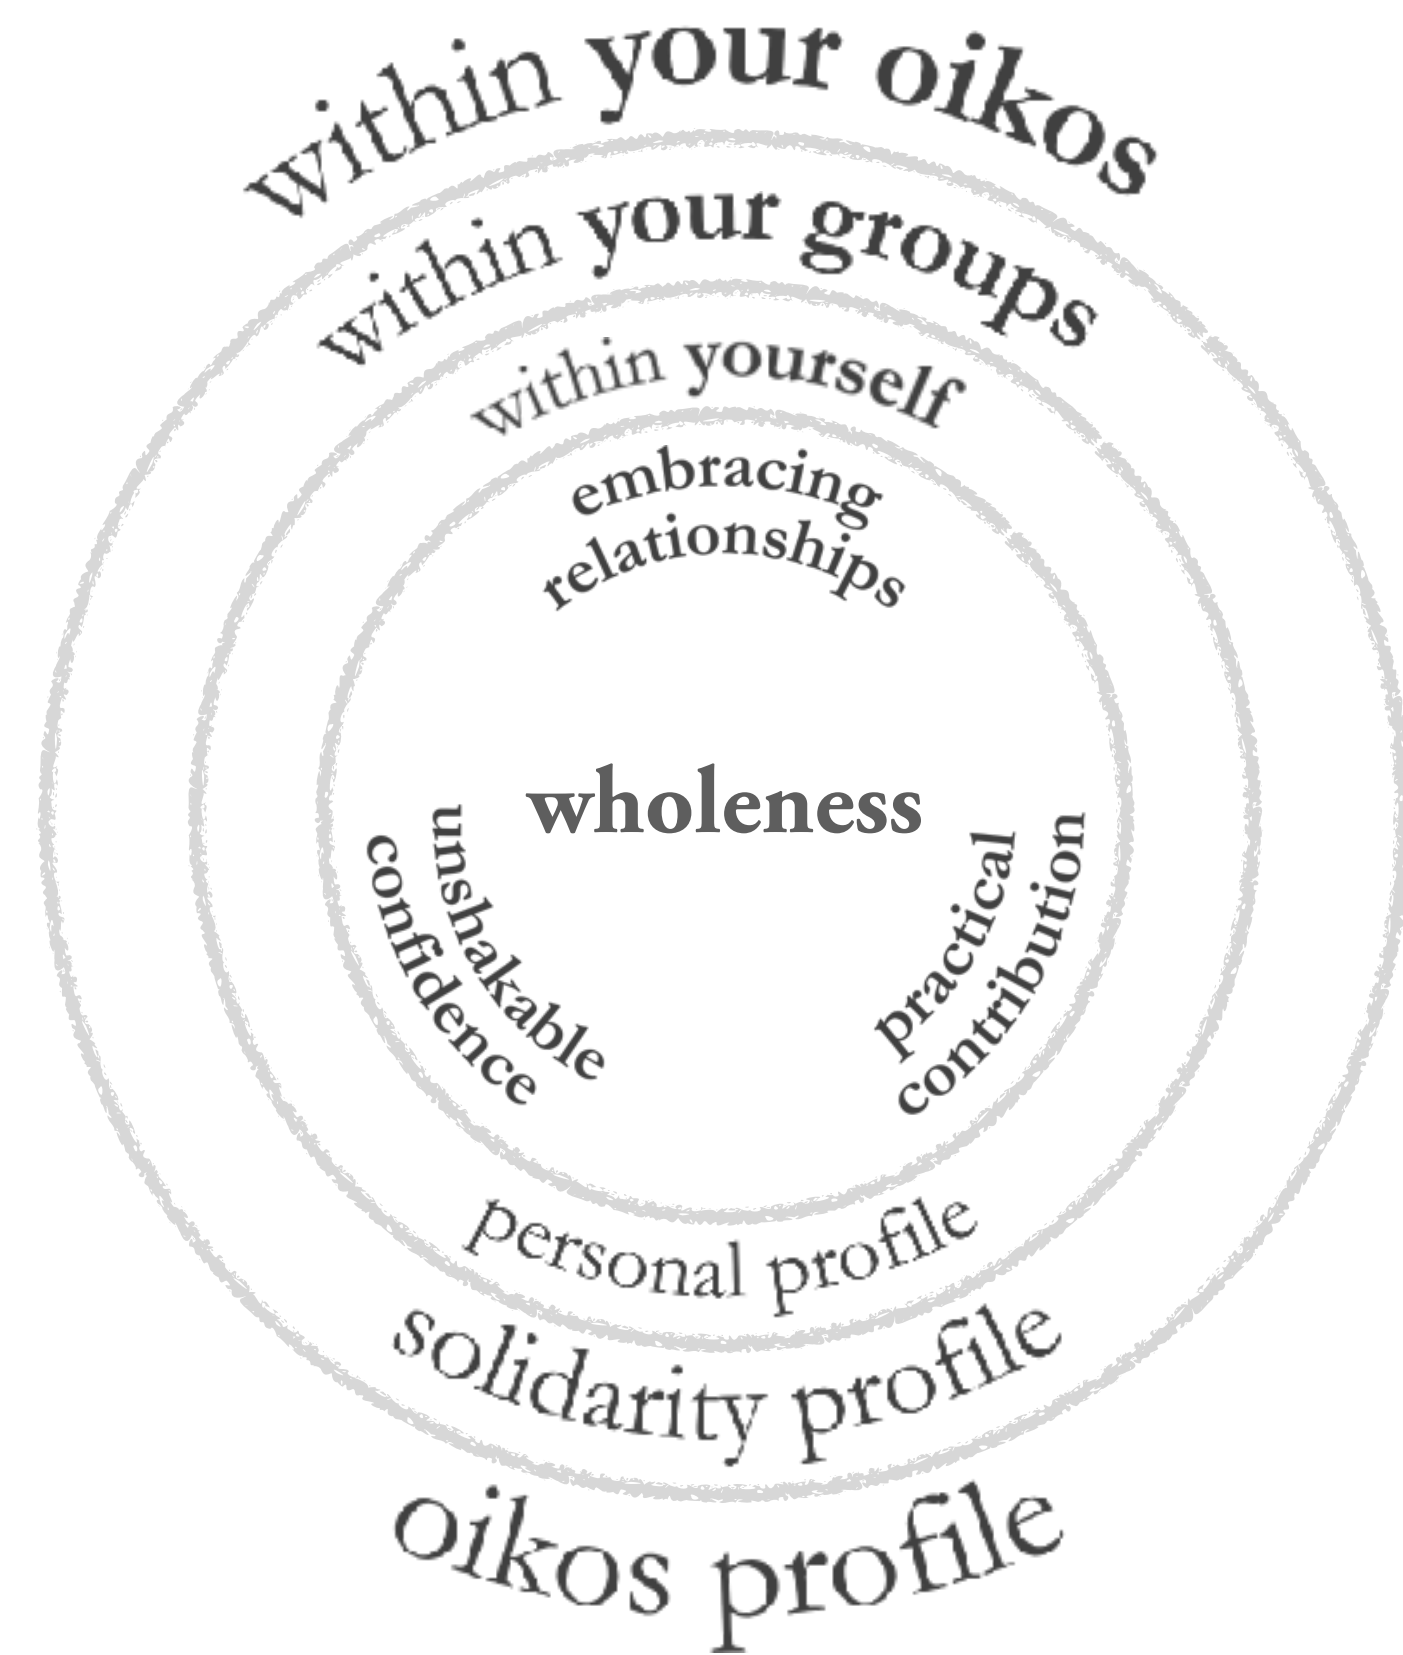

- couple
- family
- small group or team
- congregation
- organisation

# Taking people on a journey to life

# Taking people on a journey to life

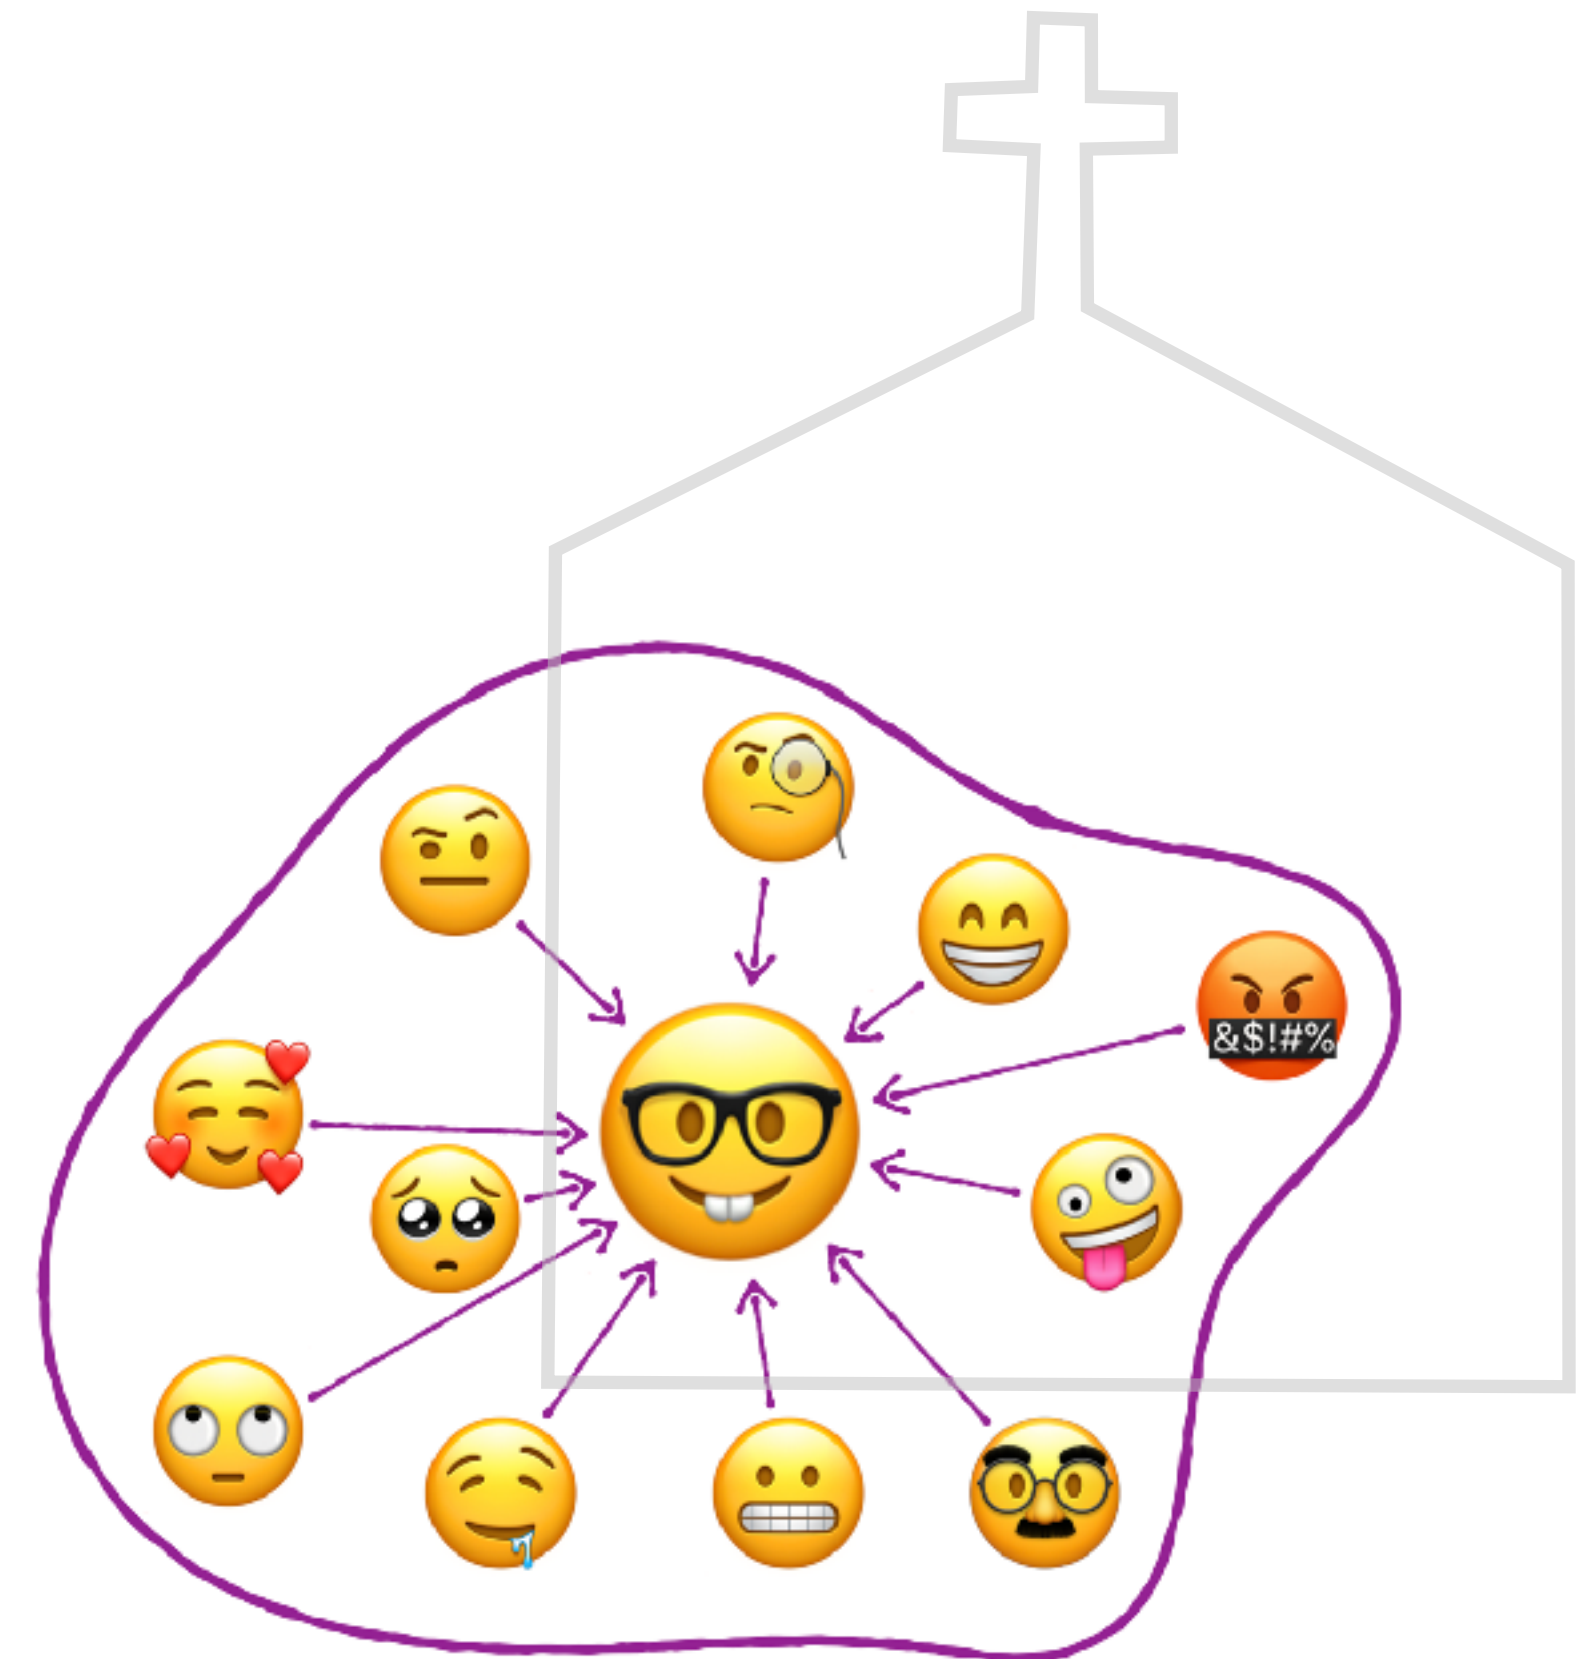

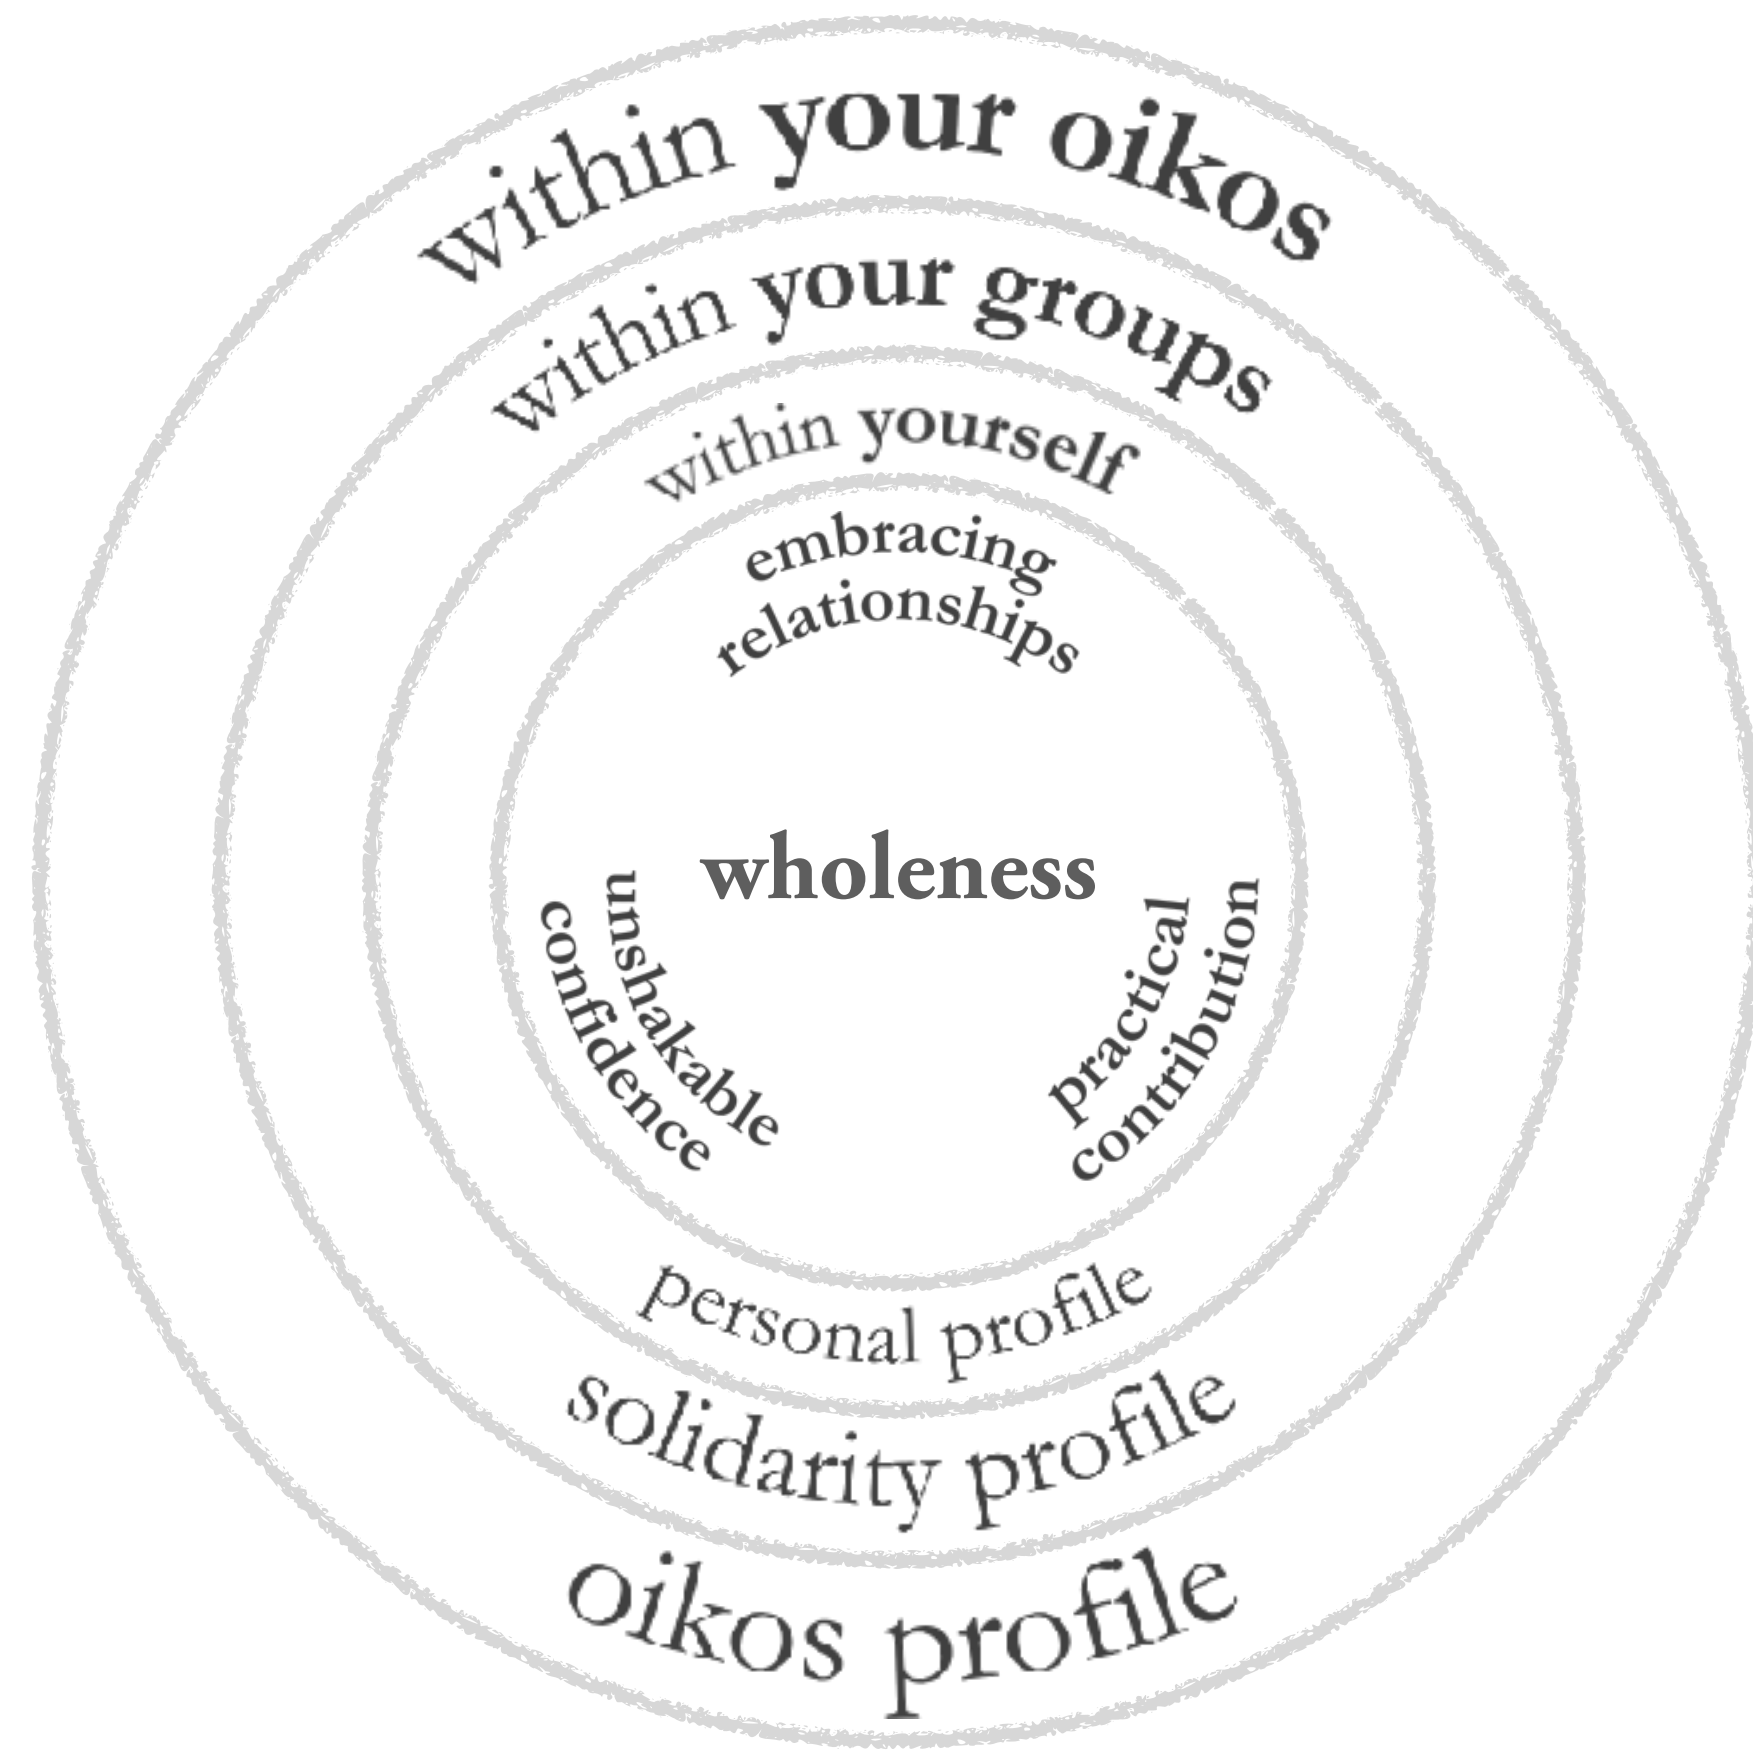

# Taking people on a journey to life

think wholeness in the lives of...

- those you most need &
- those who most need you

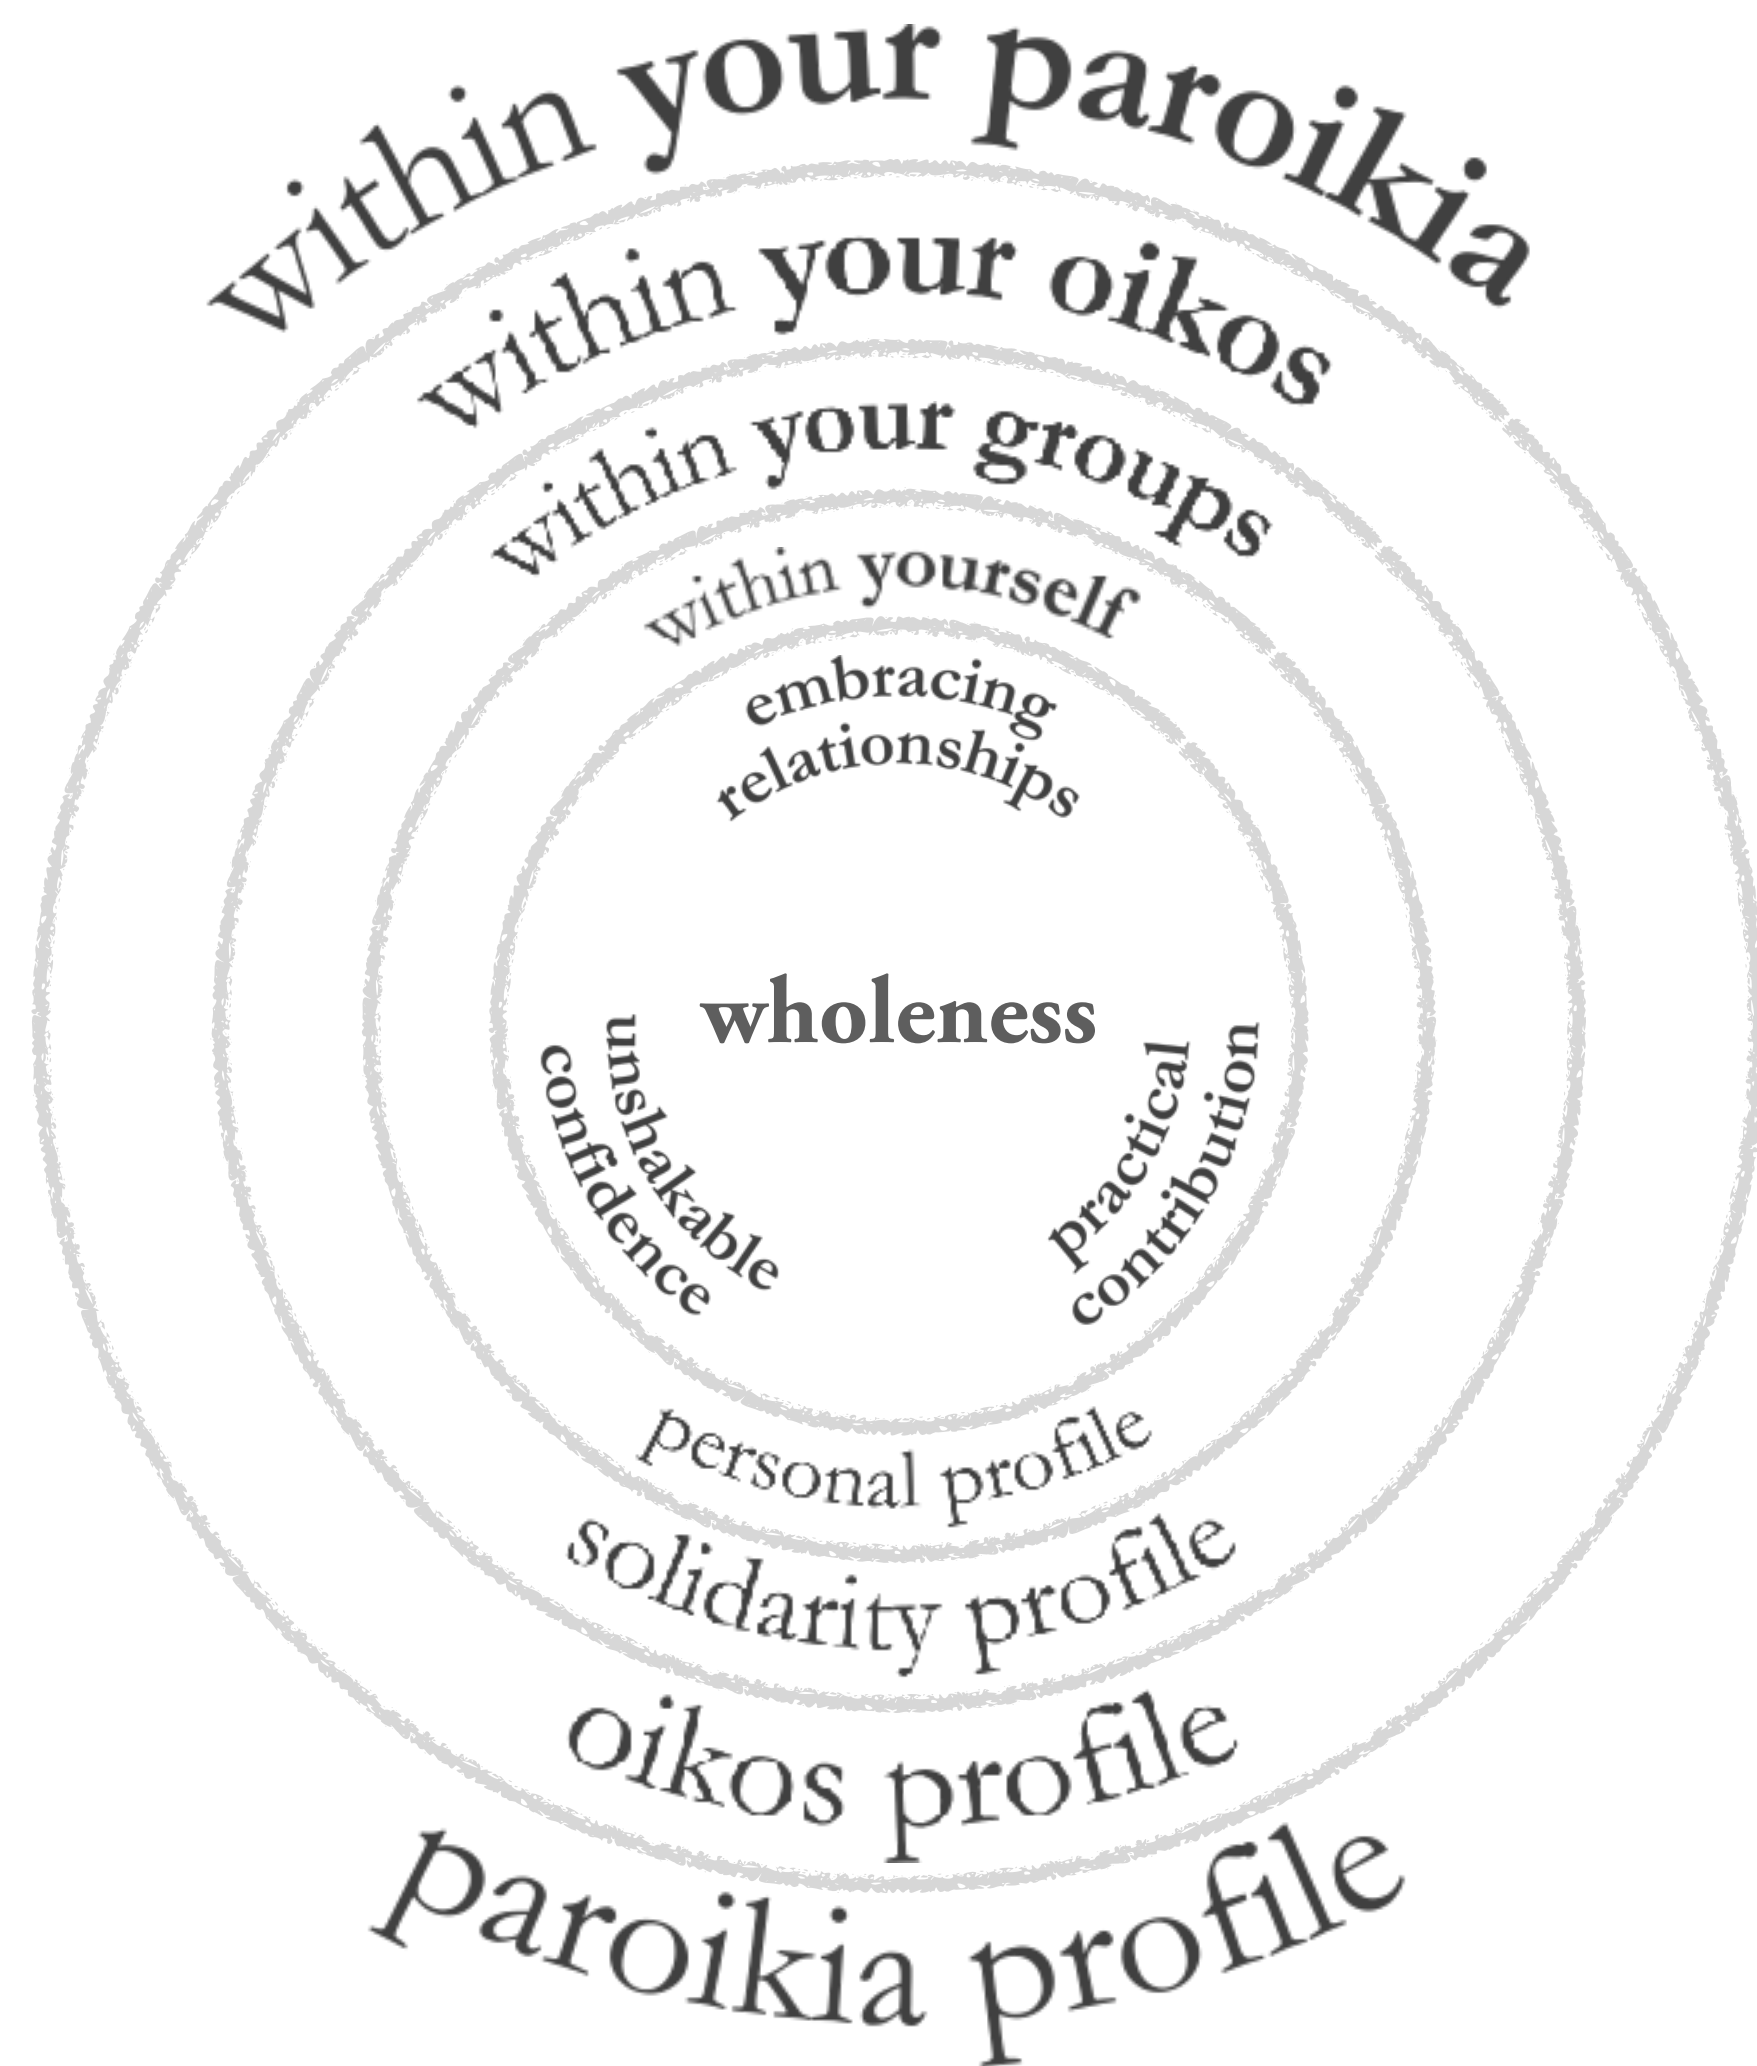

# Taking people on a journey to life

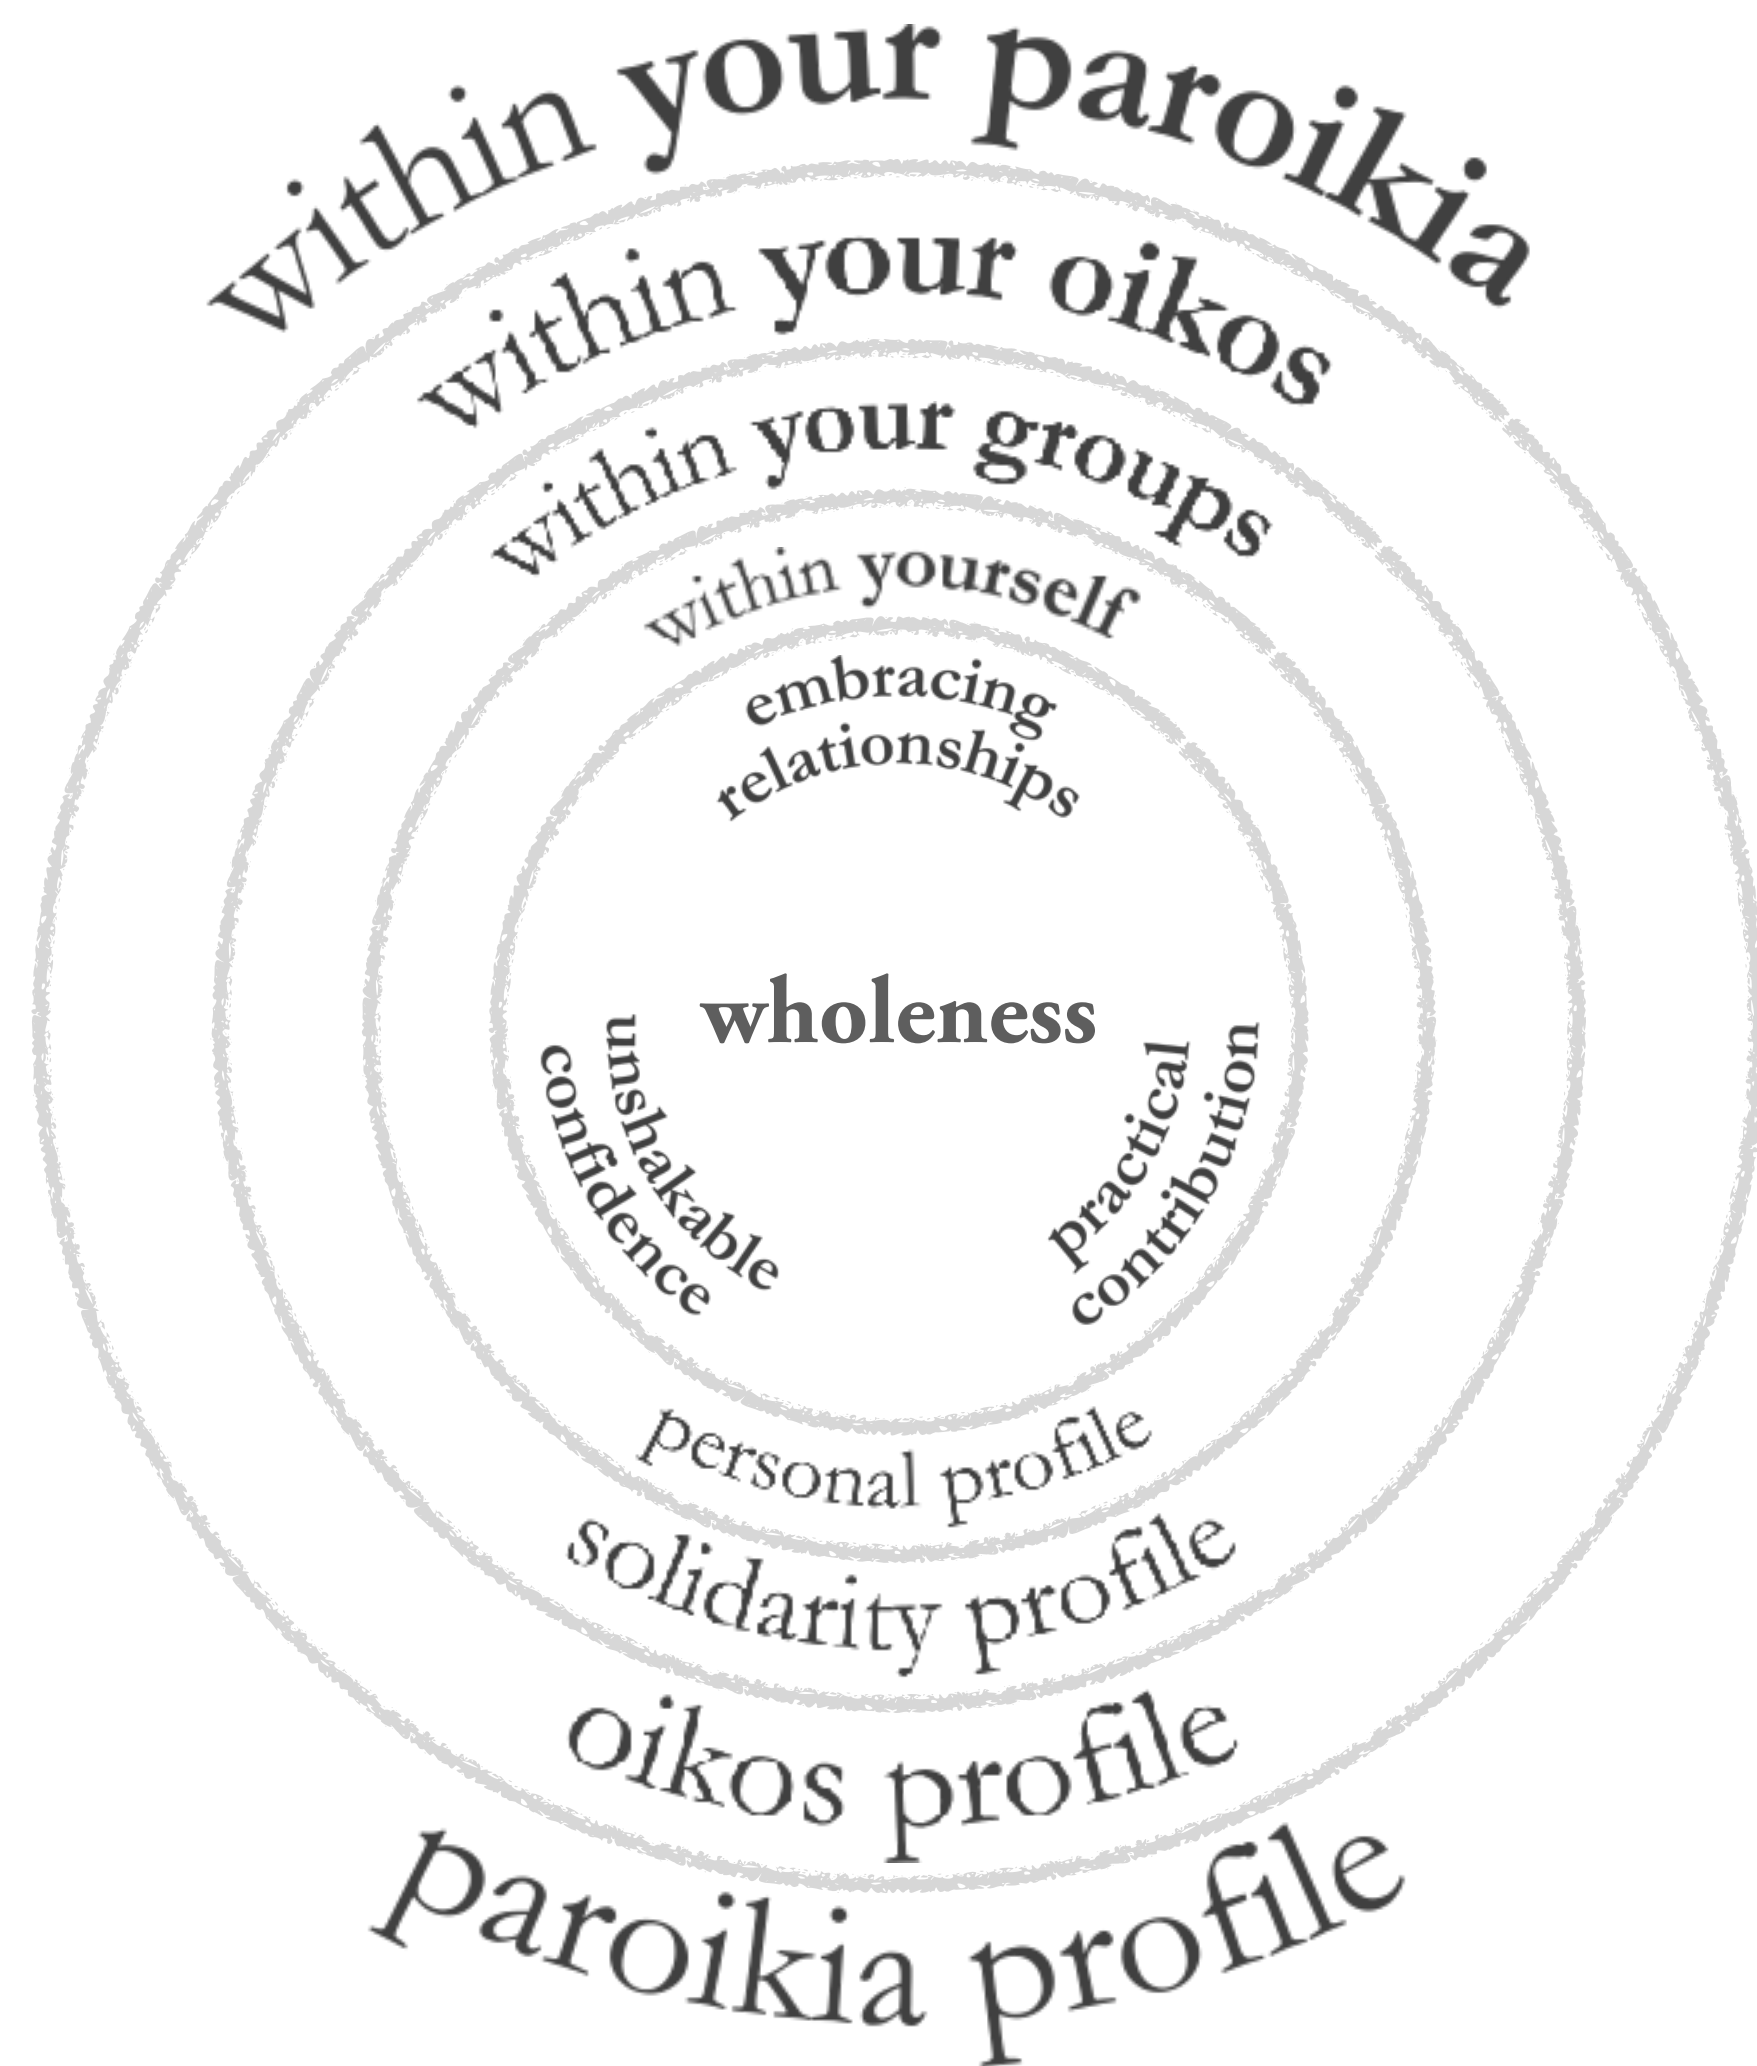

# Taking people on a journey to life

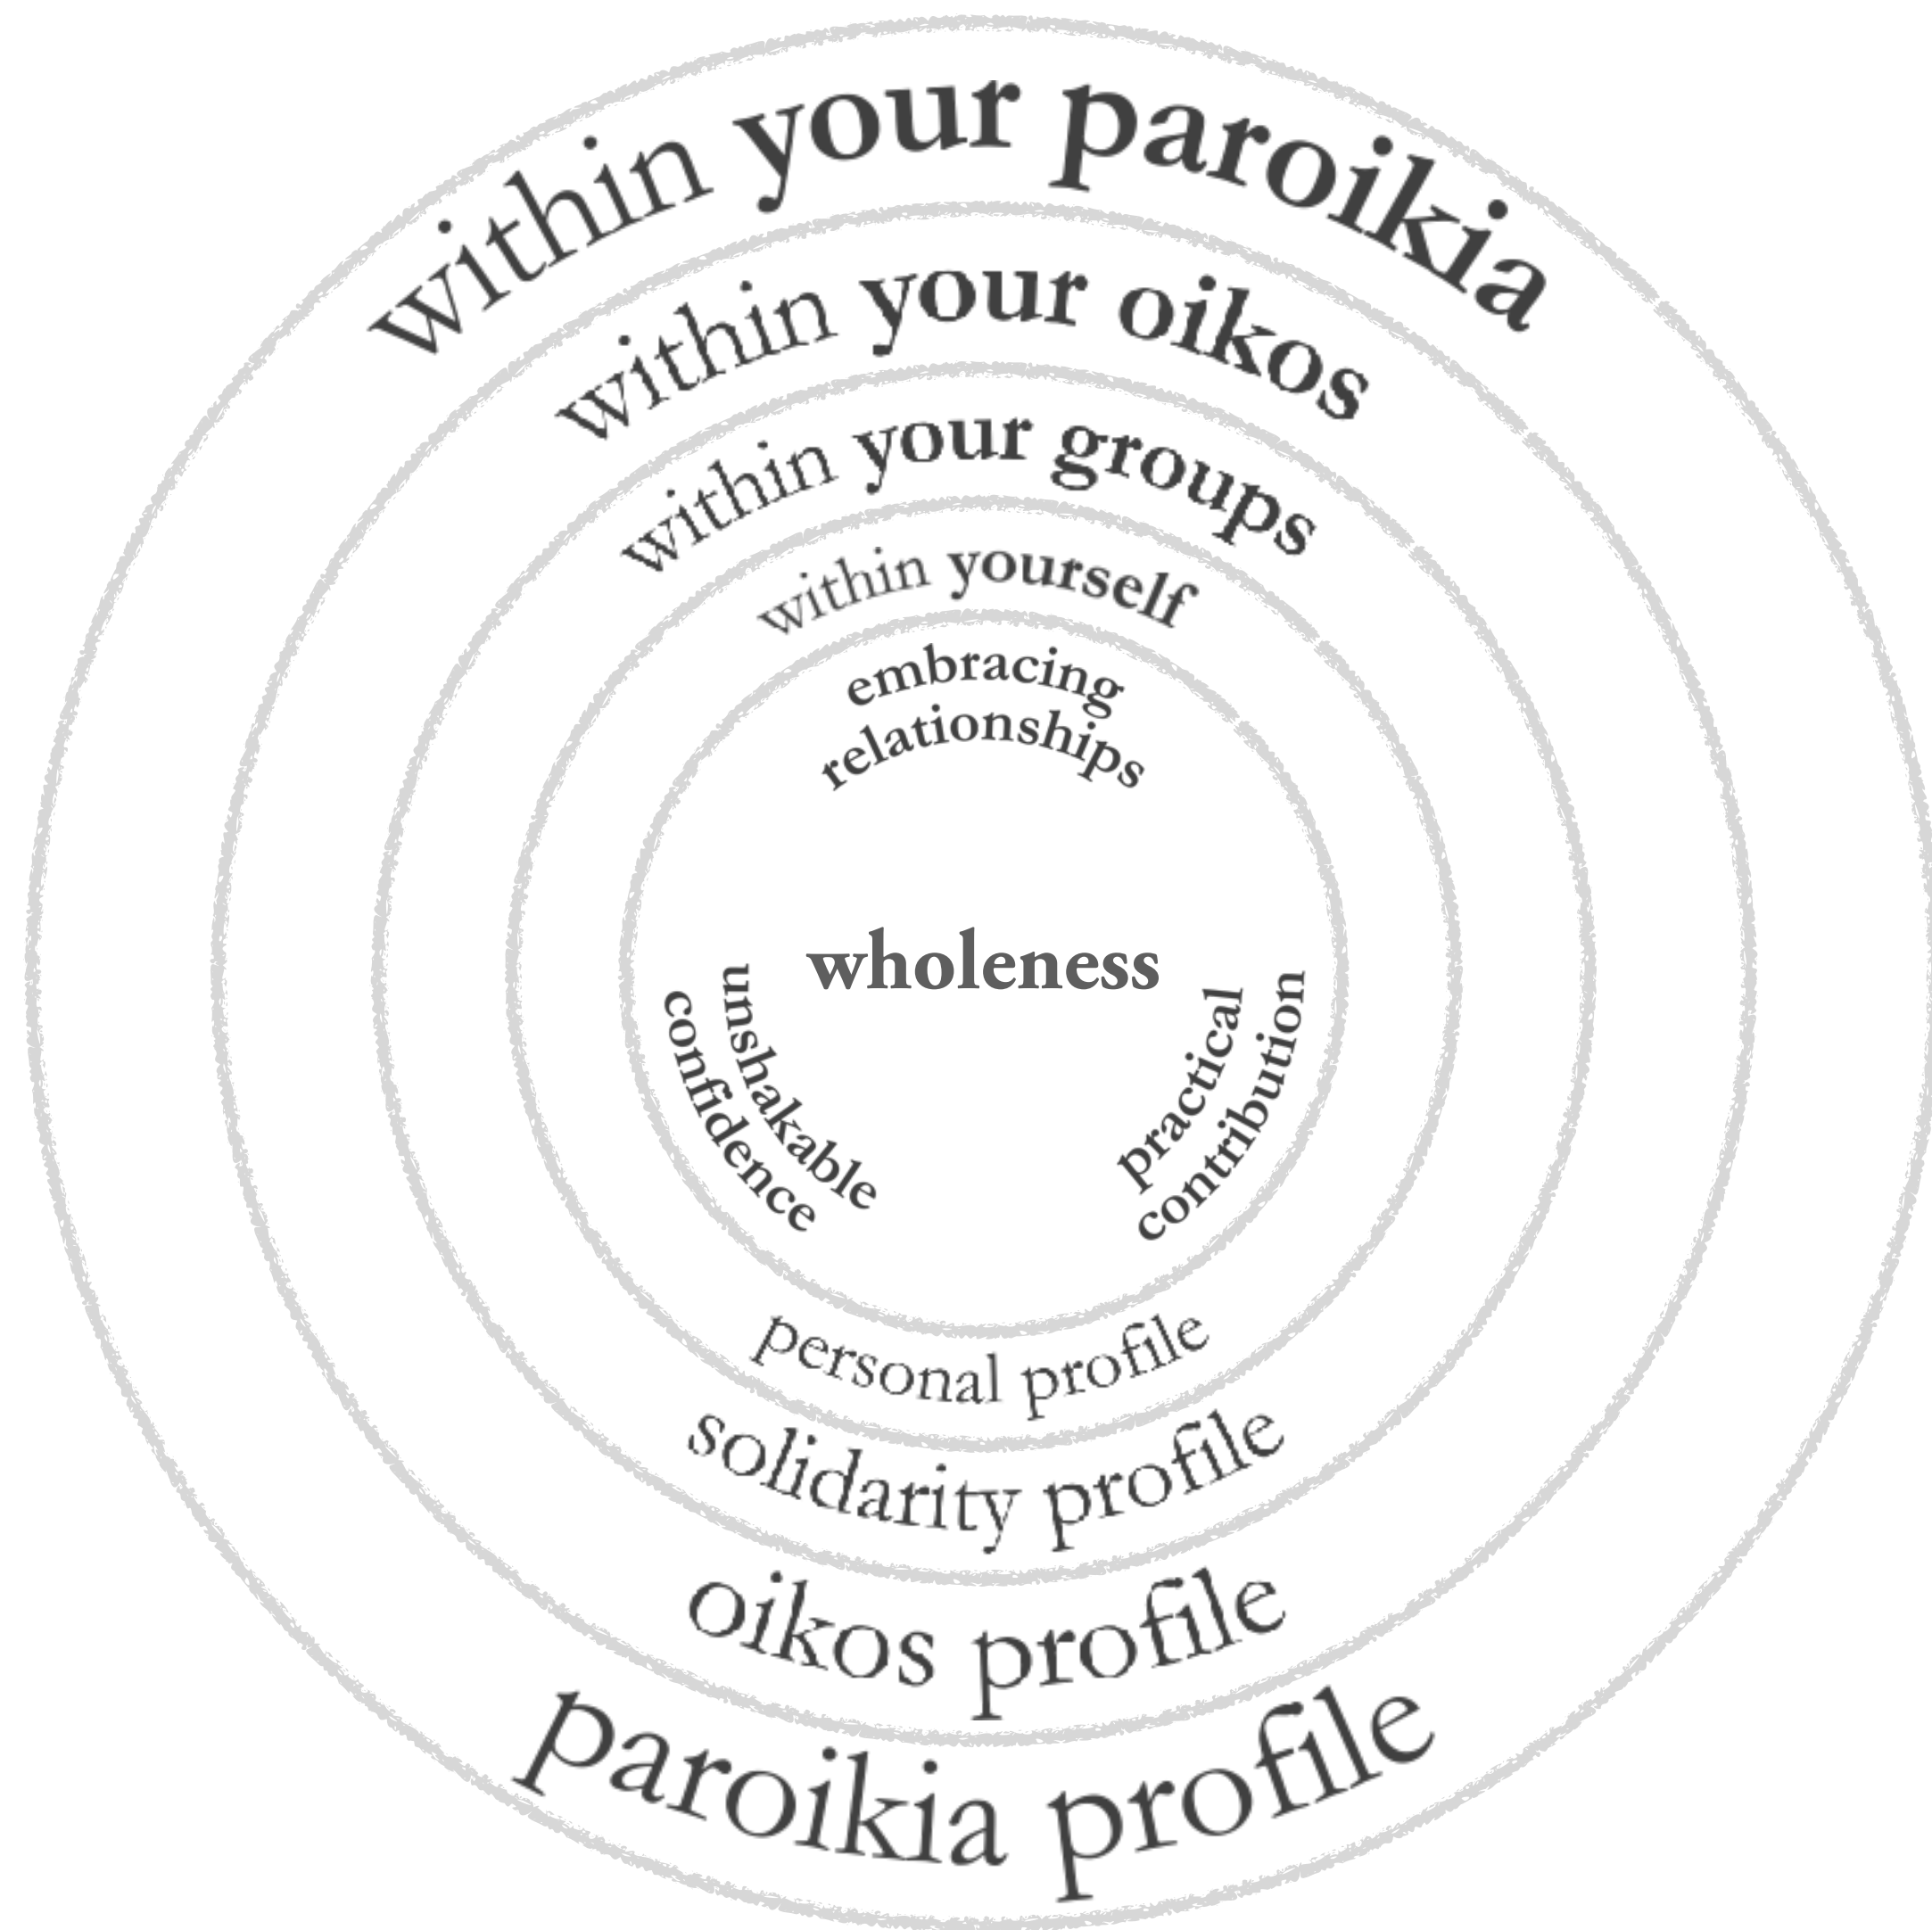

# Taking people on a journey to life

think wholeness throughout your  
influence network—  
natural community development  
flowing across your town or city

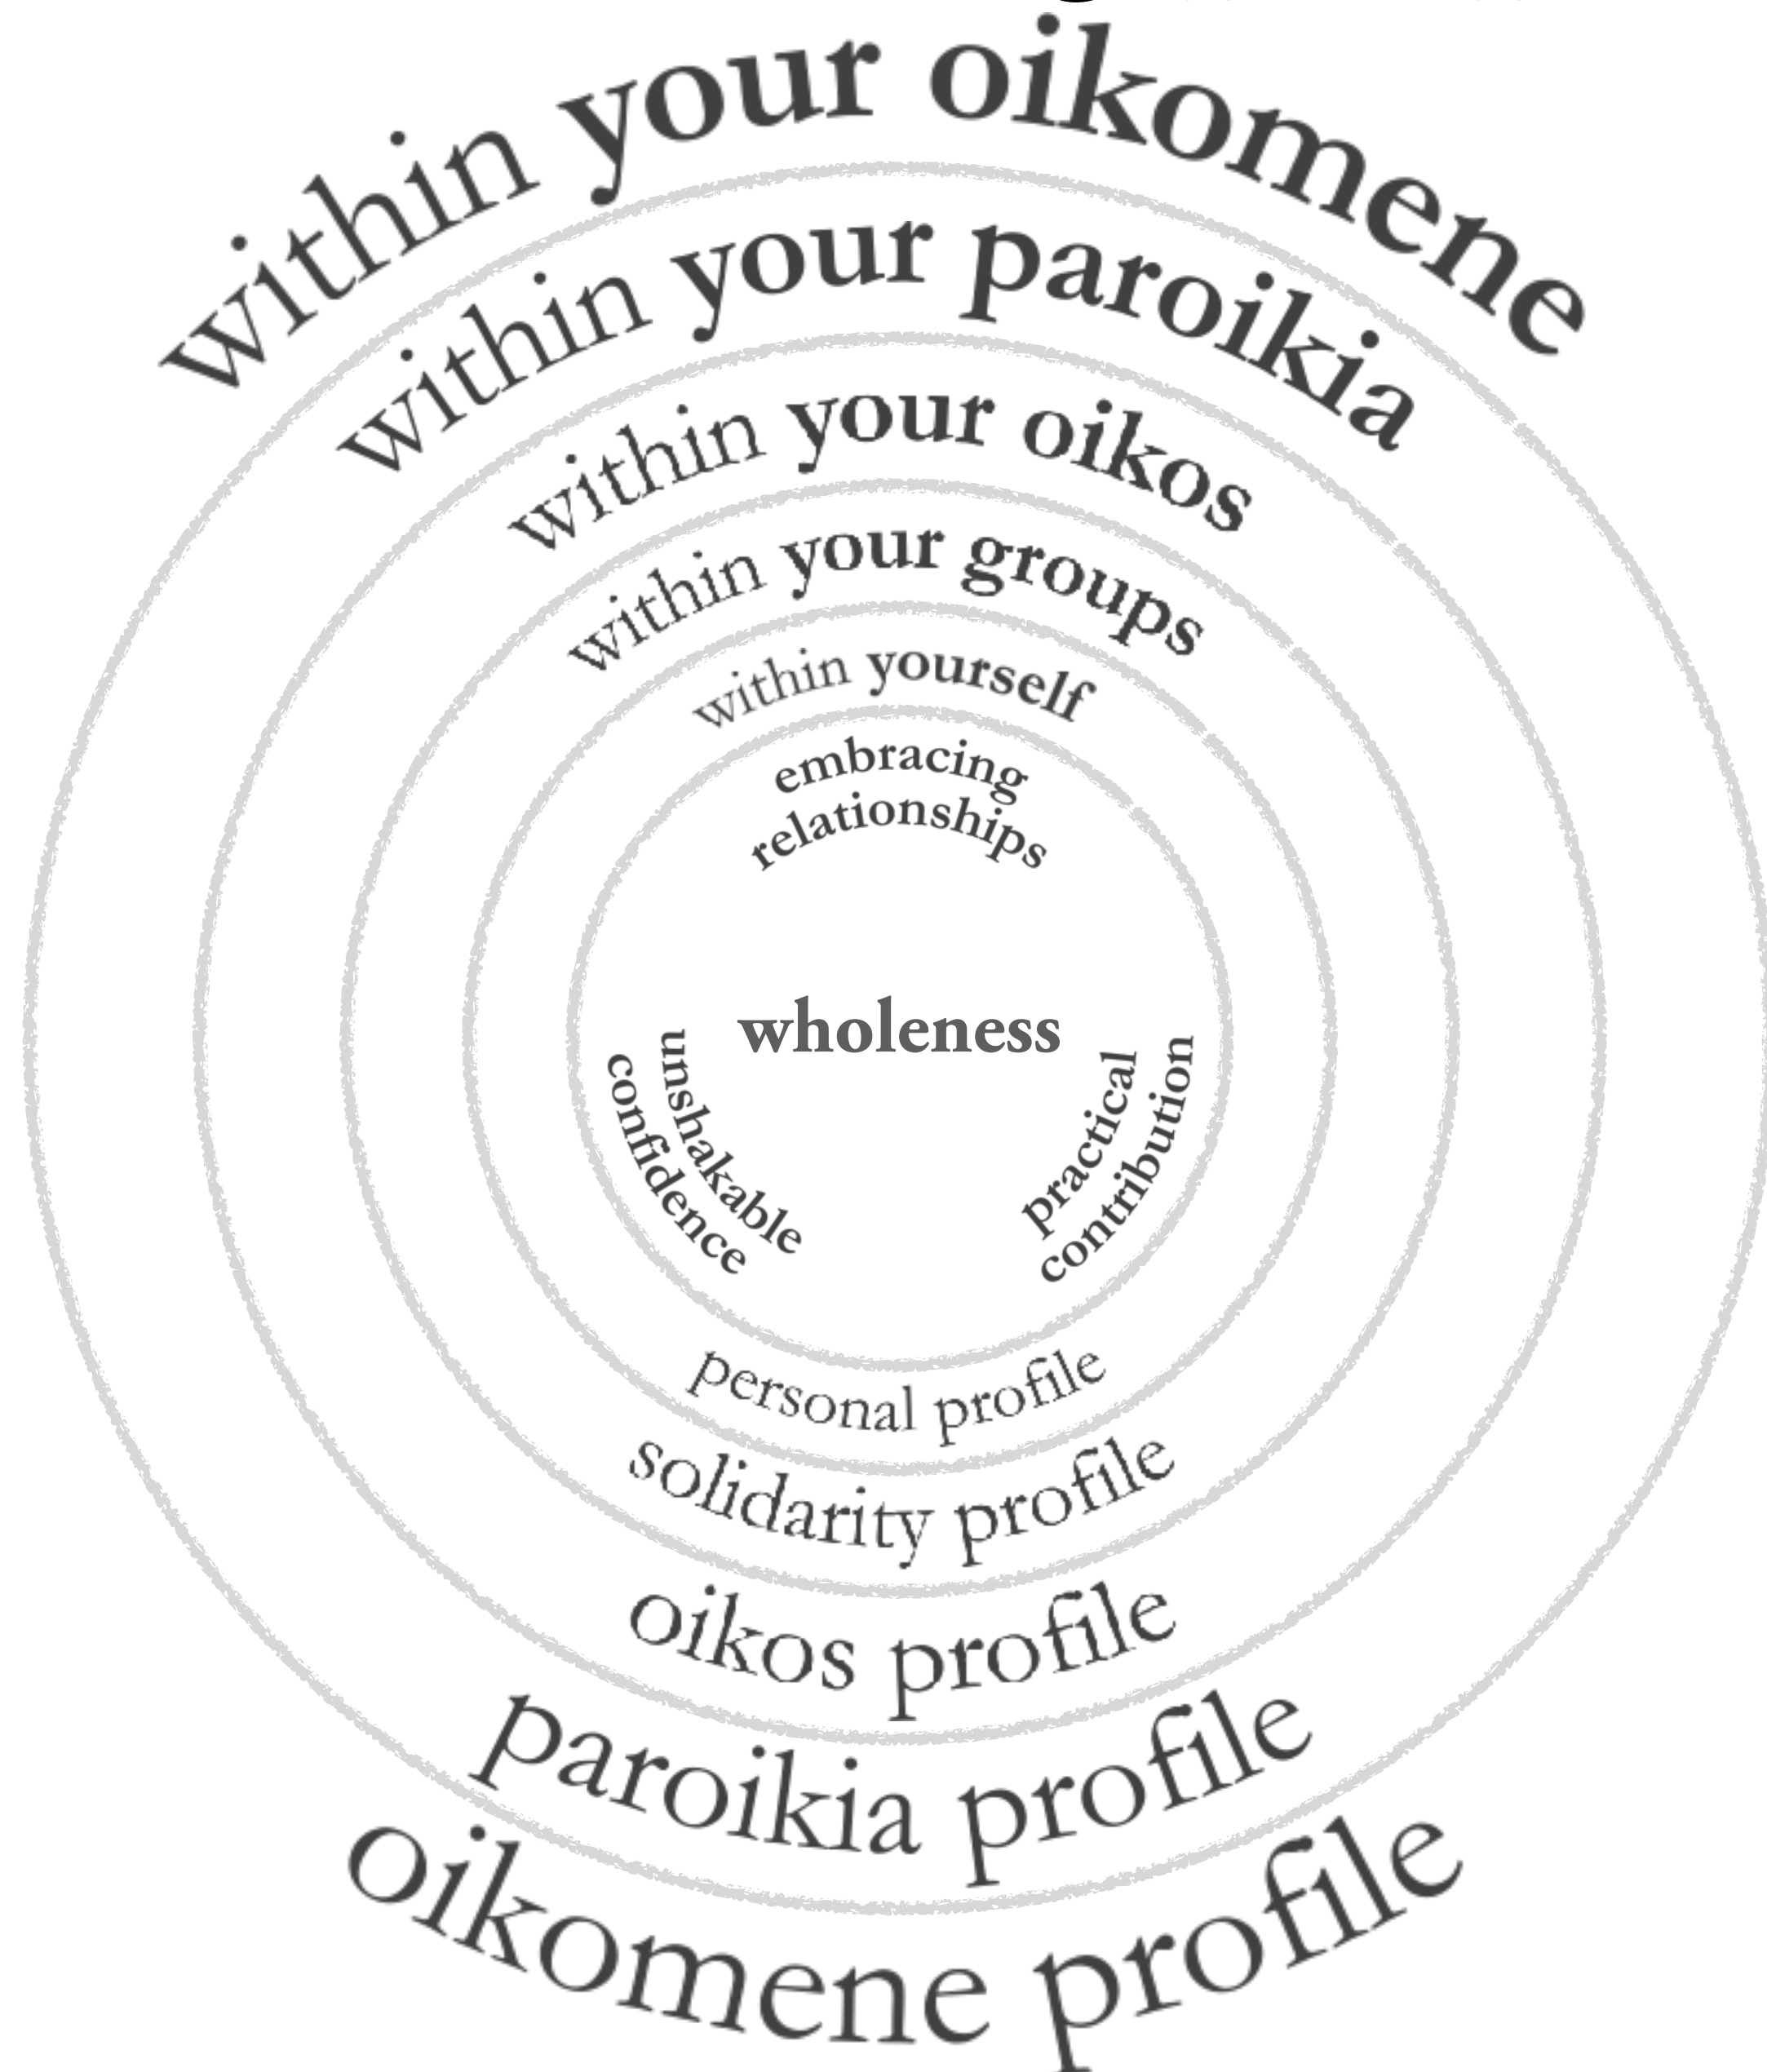

# Taking people on a journey to life

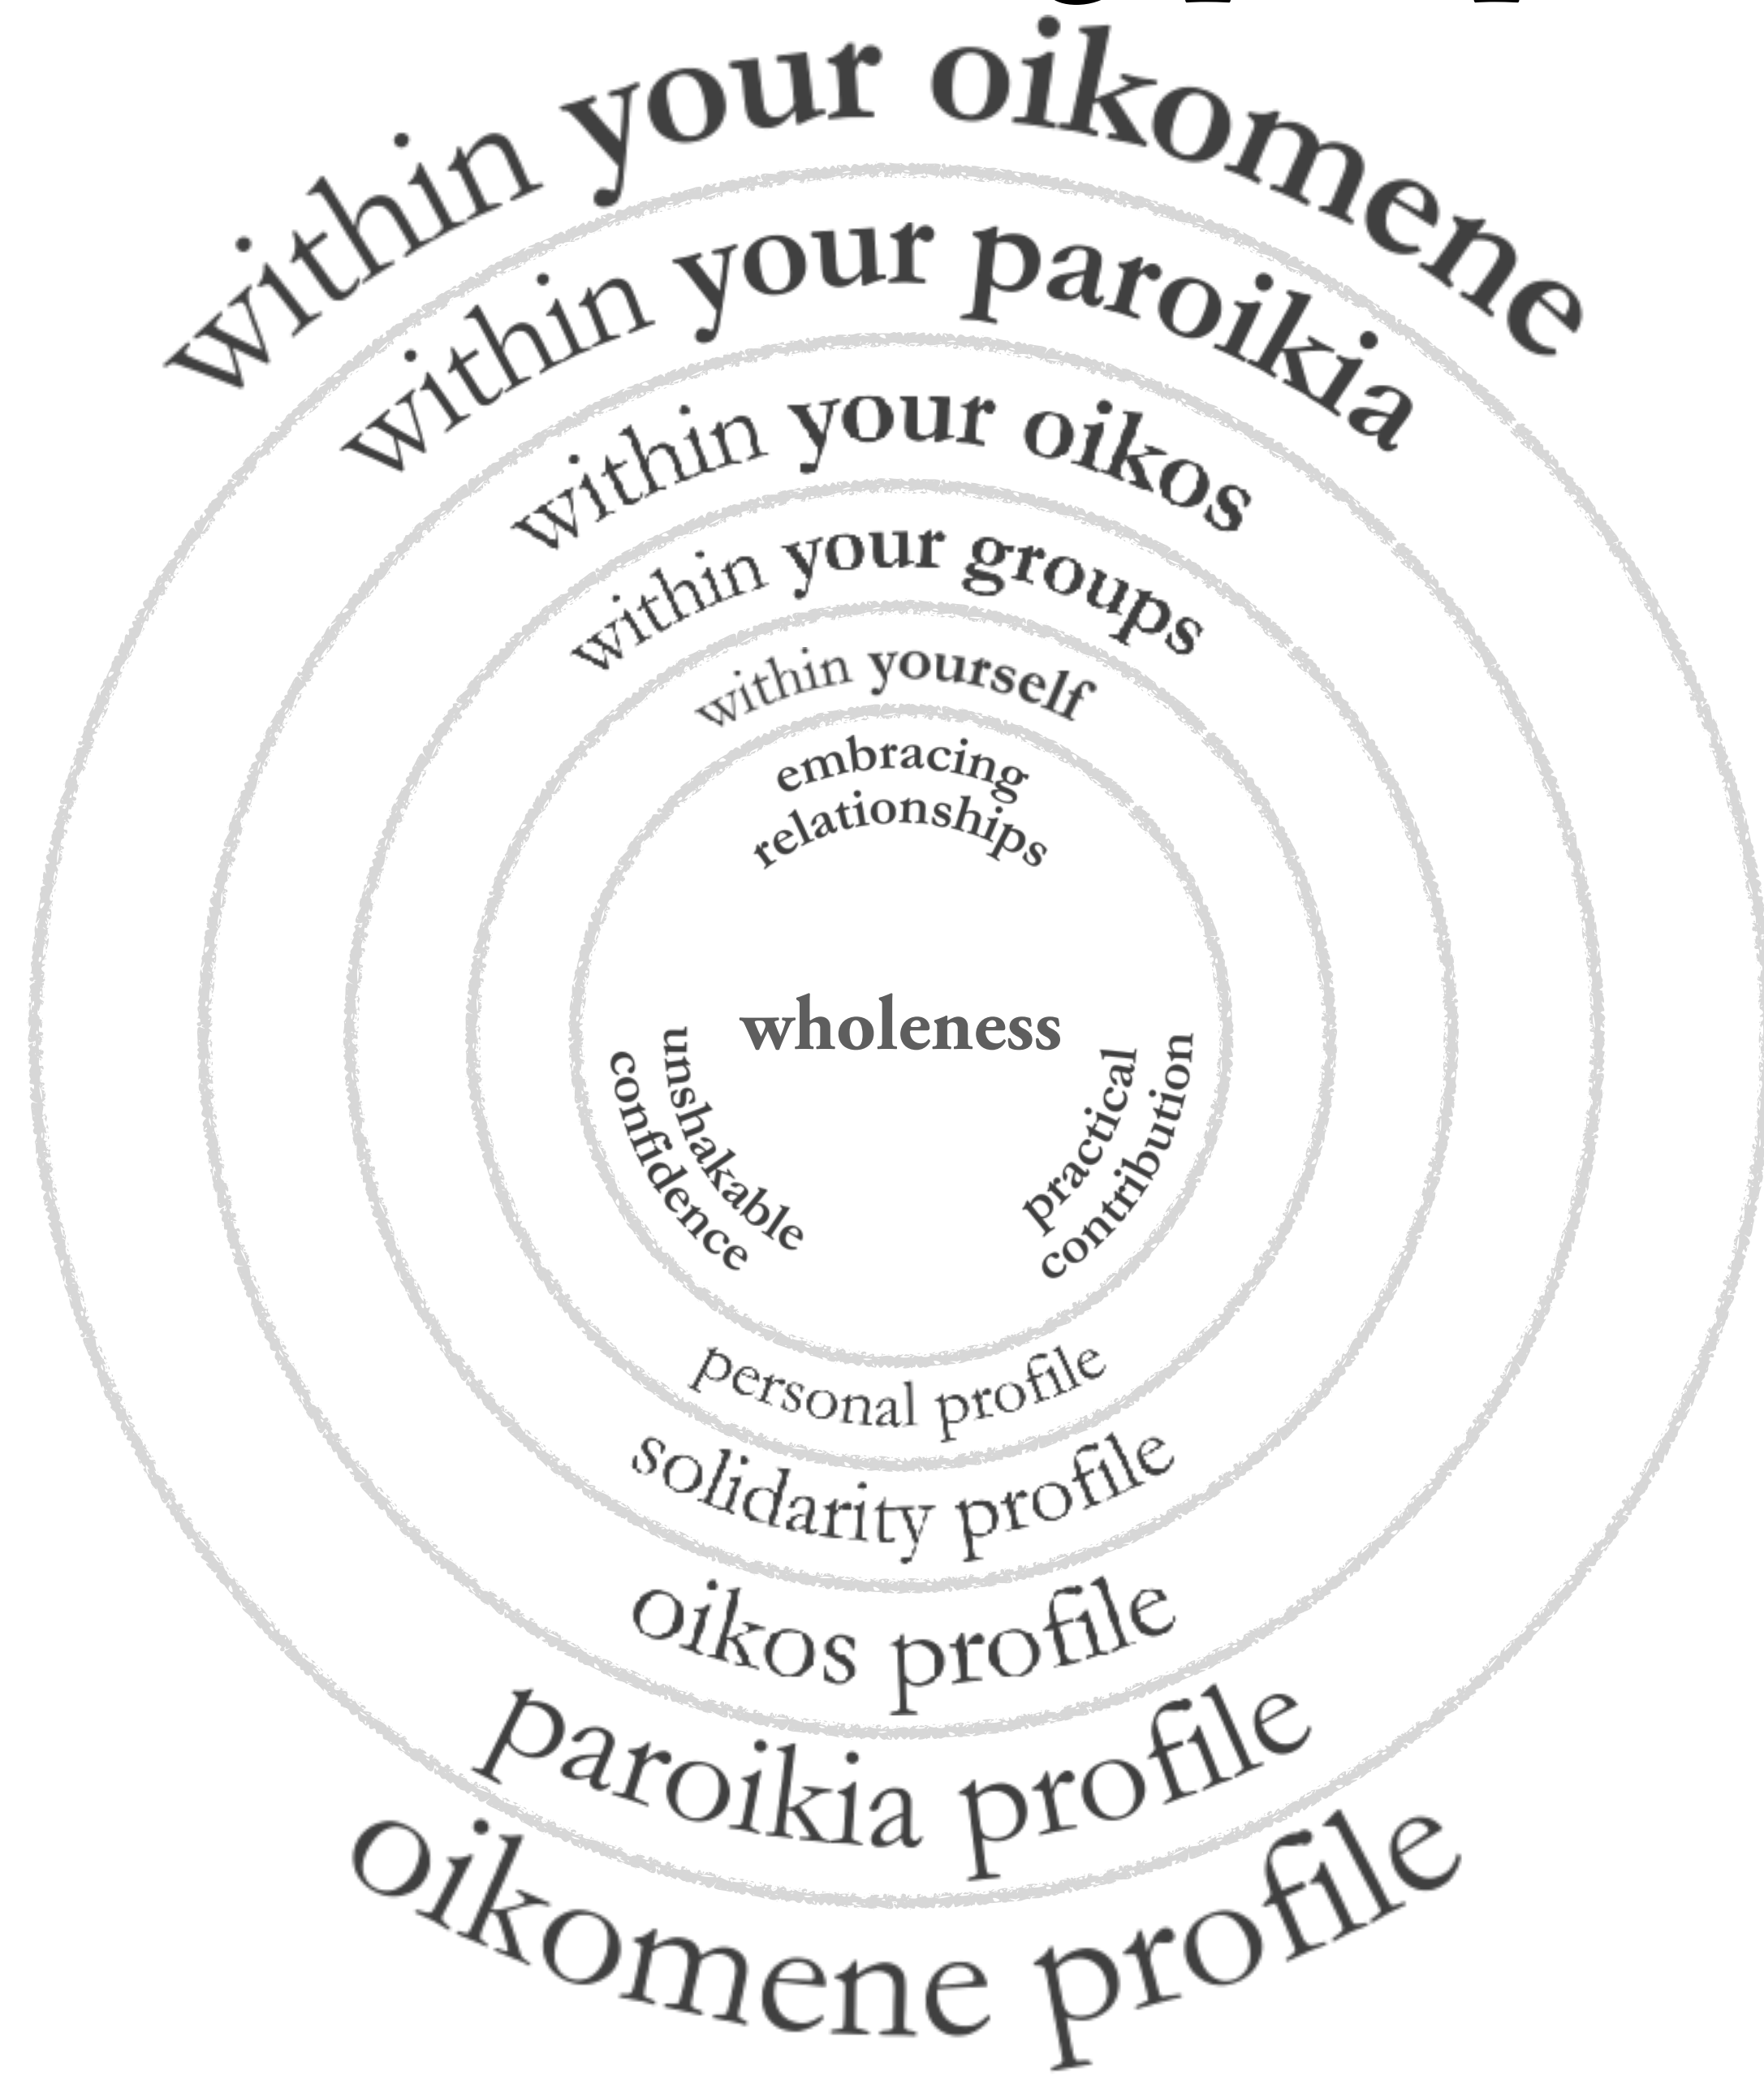

# Taking people on a journey to life

# Taking people on a journey to life

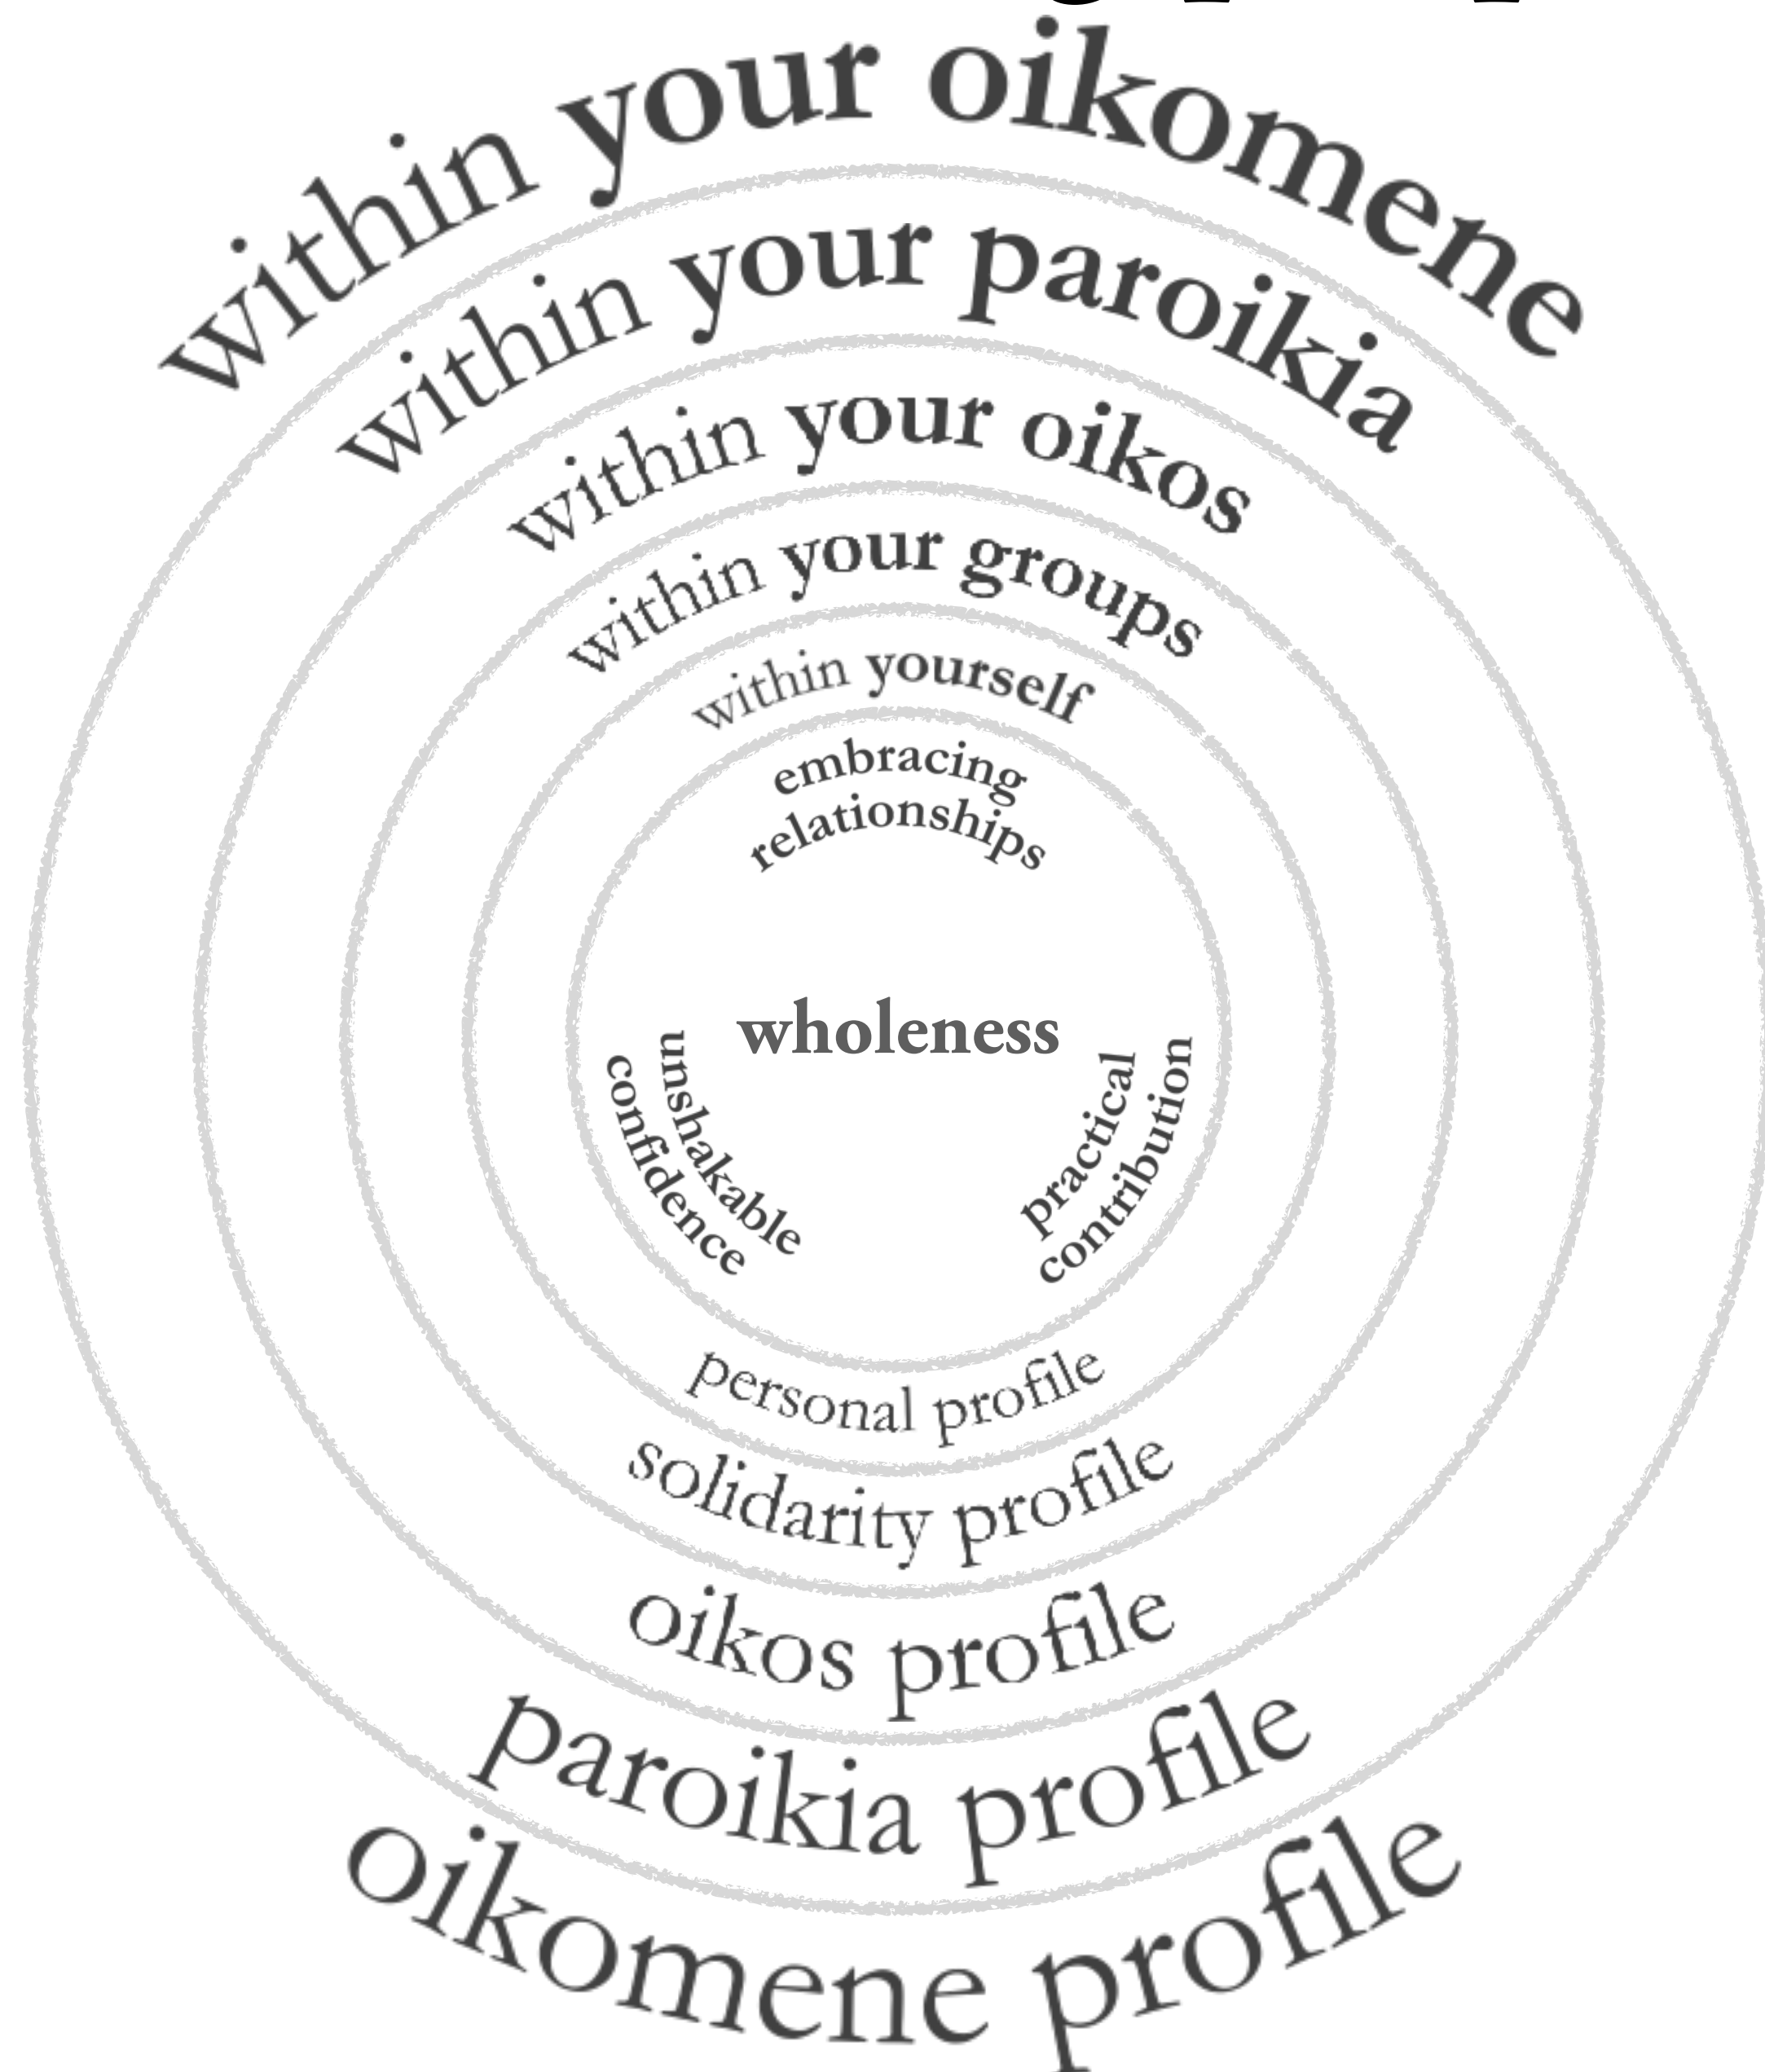

think wholeness in all of creation  
and the whole inhabited world

# Taking people on a journey to life

think wholeness in all of creation  
and the whole inhabited world

...that is need-oriented evangelism  
raised to the ultimate level
